

ON GUARD Heavy Duty Degreaser & Cleaner

ON GUARD is a super concentrated precise chemical formulation that **lifts dirt and grease** from the pores of surfaces including **tiles and concrete** surfaces. This releasing action **helps restore the slip-resistant** quality of the original surface.

Ideal for **general-purpose cleaning** on hard surfaces where **superior degreasing** is required to help ensure soil is removed and a safe surface is maintained.

Recommended for use before application of No Skidding® Floor Treatments and after application to maintain slip-resistance.
