APOLLO SERIES

PURE AIR CONDITIONING

5 YEARS
WARRANTY

POWERFUL & FAST

Make your home comfortable faster. The Apollo series uses an efficient compressor and smart design to allow for effective strong flow of conditioned air for immediate comfort.

CLEAN, FILTERED AIR

Breathe clean, healthy air. Capable of cleaning up to 80% more dust and pollen from the air, the Apollo's High Density Filter technology brings you clean and refreshing air.

SMART

Connect your Apollo to WiFi with the optional adapter and turn on the air conditioning from anywhere with the Midea App or with your voice using smart integrations from Google Home or Amazon Alexa.

ECO FRIENDLY

R32

Next generation of eco friendly, energy efficient heating and cooling. Use less energy to run your air conditioner and with the more eco friendly, and safer R32 refrigerant gas in your compatible Apollo.

CLASS LEADING FEATURES

PURE AIR FILTER

Breathe clean air and reduce bad odours thanks to Midea's High Density Filter technology.

DC QUATTRO INVERTER

DC Inverter Technology for long service life and economical energy use.

AUTOMATIC & SAFE

Fully Automatic Control to ensure your comfort, and your safety with a Fireproof Electronic Control Box made with ABS material and 5VA flame retardant rating.

BUILT TOUGH & SELF CLEANING

Enjoy reliable comfort with outdoor units built to last and tested under harsh weather conditions that can also self clean in off mode.

TURBO MODE

Enjoy a fast cool down when you need it most with Turbo Mode that runs the unit at its maximum speed for fast comfort.

SMART SLEEP CURVE

Set appropriate temperature curves for you and your family. There are default modes for selection, or you can customise your own.

LOW ENVIRONMENTAL IMPACT

The refrigerant is a vital part of your air conditioner. With Midea, you have the choice for R32, which requires less energy to run your system, reducing your carbon footprint and helping save money on the power bill.

As your system won't have to work as hard to heat or cool the air, it will potentially have a longer service life. With less toxicity than other options it is better for humans and the planet in general. Plus, it is easily accessed by air conditioning professionals if ever needed.

PURE CONVENIENCE

Wireless Controller

FRESH DESIGN

Apollo features an unobtrusive fascia design to become part of your home or office. A discreet display that glows when active means yours looks clean and tidy when mounted on your wall.

COMFORT YOU WANT

Auto Swing

Leave the best way to direct air flow and make a room comfortable to Apollo with the Auto Swing function distributing conditioned air to the maximum area by moving the horizontal louver automatically.

Louver Position Memory

If you have a favourite static air direction, Apollo remembers this and opens the louver to the same position when you turn it on, so you don't need to readjust it.

TIMER CONTROL

Set an easy countdown to an On/Off time, or use the Combined Timer to start and stop your air conditioning at different times of the day throughout the week depending on what you want.

FOLLOW ME

Keep the remote control close to you and press the 'Follow Me' button, and the air conditioner will auto-calculate the temperature of the air around you and ensure that it is cool enough.

SMART CONTROL

VOICE CONTROL THROUGH GOOGLE & AMAZON

Just tell the Air Conditioning to Chill. The Midea Apollo Integrates how you want by being at home with open smart assistants like Google and Amazon Alexa.

CONTROL FROM ANYWHERE WITH YOUR SMARTPHONE

The Midea Air Conditioning app lets you control one or multiple Apollos from your mobile device at home or remotely with the optional WiFi Adapter.

Use the app as a remote control, check if the air conditioning is off when no one is home, and receive alerts when it's time to change the filter.*

*Only available using optional WiFi Adapter

Midea builds solutions for Australians who treasure quality time at home.

A WORLD LEADING TECHNOLOGY GROUP

Since establishment in 1968, Midea has grown into a global leader in consumer appliances, air conditioners, robotics and industrial automation systems, and smart logistics supply chain. Midea exports to more than 200 countries.
