Lotus Belle USA Australasia has its headquarters in the Byron Bay Hinterland and is available to visit (or stay!) by calling +1 (888) 440-8177 or email [info@lotusbelle.com](mailto:info@lotusbelle.com) for more info.

Visit [lotusbelle.com](http://lotusbelle.com) for the full range of tents and accessories.

“

One of the things that everyone notices about our Lotus Belle, is how beautiful the canvas is. It has a luxurious feel, soft and dense. The other thing everyone remarks on (other than the shape) is how roomy it is and how great to be able to stand upright immediately. After using it for two years now, we like the fact that it holds up in intense winds, has heaps of room, and is always the most unique tent in the campground.

”

Natalie Jones, Australia
