

2021

HAWKSHEAD

Pinot Rosé

Sub Region: 100 % Gibbston | Single Vineyard
Colour: A brilliant light shade of Ruby
Style: Dry in style

Flavour Profile

This unique Single Vineyard Rosé, created from hand-picked Pinot Noir grapes, is in a class on its own with its vibrant elegance unrivalled. The aroma has notable floral notes; imagine brushing against redcurrant flowers and roses. A curious nose will also detect crushed fresh strawberries and raspberries with a faint note of blood orange rind.

All the promise of the bouquet exudes onto the palate. The crushed strawberry flavour is pushing its way to the foreground with natural refreshing fruit acidity and will take you straight back to a sun-drenched strawberry patch. The wine has a soft, refined textured mouthfeel and a long lingering finish. We are confident to hear WOW after you tasted it.
