

# YAWA AQUATIC CENTRE

**Facility:** Yawa Aquatic Centre (Rosebud)

**Value:** \$900,000.00

**Reference Name:** Daniel Andrews

**Brands:** Precor, Wattbike, Woodway, StairMaster, Concept 2, Eleiko, Octane, Nautilus, TRX, ZIVA, Peak Pilates, Les Mills

Yawa Aquatic Centre is a new state of the art recreational centre offering a range of year-round aquatic, leisure and wellness programs for people of all ages and abilities. This is one of the larger installs for NovoFit and showcases our best-in-class brands in a stunning newly constructed facility.

The centre features a Health Club, Group Fitness and Reformer Pilates room. The Health Club has been designed using 4 zones: cardio, strength, functional and recovery. In addition to using the new Precor Resolute range of pin loaded strength machines, the facility will be the first to use the new Sony Advagym technology. The Advagym pucks have been strategically placed across the health club to allow the facility to digitalize the member experience, interacting with members before, during and after their workout, at the gym or at home.

The centre also has a dedicated indoor cycle room featuring Spinner® Chrono™ Power Bikes and Reformer Pilates room featuring Peak Pilates MVe® Reformer Beds.

You can see the full concept design for Yawa by clicking 'watch more'.

**YAWA.**  
AQUATIC CENTRE

“YAWA is an awesome state-of-the-art facility and we wanted equipment that reflected the quality that this new centre deserves. We worked closely with NovoFit to get the perfect mix of equipment for our diverse community. The new Sony Advagym technology will be a great addition to the centre and give our members a unique experience.”
