

PROJECT

TYPE

CATALOG NUMBER (FOR CUSTOM LENGTHS, PLEASE SEE ORDERING EXAMPLE BELOW)

FEATURES

- High grade aluminum
- Field cuttable
- Custom designed endcap for complete finished look
- Easy to mount
- High-grade frosted acrylic lens with over-locking system for aluminum channel

PRODUCT DESCRIPTION

Creating a permanent, architectural installation for Vision120 LED tape may require a suitable channel that not only protects the LED tape, but also insures an uninterrupted line of light that is free of hot spots or glare (when using the aluminum channel with frosted lens). Our Vision120 mounting channels are high quality extrusions. Specify either aluminum with lens, or plastic. End caps available (sold in pairs). Easy to install.

Power feed knock-out

V120-CHL with end cap

V120-EC (pair)
