Product Name(s) (Including but not limited to): Beach Bucket, Dino Digs, Krystal Kettle, Fossil Finds, Princess Pail, Sensory

2. Citation to each CPSC product safety regulation to which these products are being certified.

CPSIA Sec. 101 - CPSC-CH-E1002-08.1 and CPSC-CH-E1001-08.1 Total Lead in substrate was tested and found ND (non detectable) Ref: S21-05585, S21-05586

16 CFR 1500.91 Total Lead in Children's Toys The majority of the contents of each bucket are naturally occurring and therefore are exempt from testing. All toys that are included have been tested by each manufacturer to insure that there is no lead included in the manufacture of each toy. Reference numbers: 1006, EFHZ20010980-CG-01+Rev1, 20B-001356 R1

CPSIA Sec. 108 - 16 CFR part 1307 Phthalates in Children's Toys and Certain Child Care Articles: Testing for Phthalates was performed on buckets, bags, sifter shovels and plastic drop cloths, and toys as those are the only items which contain any sort of plastic. Buckets, bags and drop cloths were tested by the manufacturer and no Phthalates or lead were found, reference number 1022081. The sifter shovels test report number is EFHZ20010980-CG-01+Rev1. The plastic toys were tested by the manufacturer with a reference number of 1006.

16 CFR 1501.3 Small Parts in Children's Products: All Treasure Buckets may include small objects that may pose a choking hazard in children under three (3) years of age. Proper labeling has been included on each product that outlines the small parts hazard and that the contents of each bucket are not suitable for children under the age of three (3).

16 CFR 1500.91 Total Lead in Children's Toys The majority of the contents of each bucket are naturally occurring and therefore are exempt from testing. Any toys that are included have been tested by each manufacturer to insure that there is no lead included in the manufacture of each toy. Reference numbers: 1006, EFHZ20010980-CG-01+Rev1, 20B-001356 R1

16 CFR 1500.48 & 1500.49 Children's Toys Containing Sharp Points and Edges All Treasure Buckets may include objects that may have sharp points and edges and may be a hazard to children under four (4) years of age. Proper labeling has been included on each product that outlines sharp points and edges hazard and that the contents of each bucket are not suitable for children under the age of four (4).
