# FAQs

**Q. I'm in a rush. Which products can you ship and fulfill the fastest?**

A. 15ct Boxes, Tea Pouches, Mini Tubes, Large Tubes, Overwraps

**Q. I'm on a budget. What are the least expensive options with low minimums?**

A. Overwraps, Mini Tubes, 15ct Boxes, and Pouches

**Q. Is shipping included in the per unit price?**

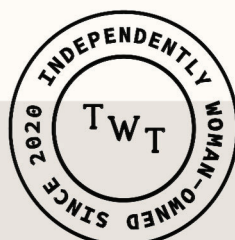

A. No. Shipping is billed separately.

**Q. For custom gifts, do I need to create artwork for the labels, or can you do that for me?**

A. You are welcome to provide your own artwork, and we will resize and reformat it to fit the label dimensions at no cost to you. Or our team of in-house designers can create a label for you for an additional design fee.

**Q. How does shipping work? Can you dropship to multiple addresses?**

A. Most customers request that we send all the items to a single address, and then the customer will handle distributing/shipping the gifts to the intended recipient. However, for an additional **\$3 per package**, we can dropship each package to each recipient directly from our warehouse in Golden. You will need to provide a spreadsheet of verified recipient addresses prior to shipping.
