**TRADE
GLASS
DEPOT**

Trade Glass Depot offers a comprehensive range of glass gate latches. We stock the outstanding D&D Technologies Magna Latch in frameless and semi-frameless models to suit our entire product range and almost every possible gate configuration.

GLASS TO GLASS 180°

Glass to glass latch using D&D Technologies Lockable Magna Latch for use in 180 degree inline applications. The latch is friction-fit and requires no holes in the latch panel.

ROUND POST STAINLESS

Glass to round post latch using D&D Technologies Lockable Magna Latch. For use in corner outswing applications in semi-frameless pool fences. Latch is screw or rivet fixed to corner post.

CORNER IN

Glass to glass latch using D&D Technologies Lockable Magna Latch for use in corner inswing applications. The latch is friction-fit and requires no holes in the latch panel.

ROUND POST

Value range of D&D Technologies latches for inline round or square posts in semi-frameless applications. Stainless steel gate stoppers are available to suit our semi-frameless range.

CORNER OUT

Glass to Glass latch using D&D Technologies Lockable Magna Latch for use in corner outswing applications. The latch is friction-fit and requires no holes in the latch panel.

ACCESSORIES & FIXINGS

We carry a full range of fixings and accessories to suit our entire gate hardware range.
