SLEEK DESIGN. MAXIMUM FLEXIBILITY.

An evolution in ergonomics. Introducing “E2”, the next generation of the original Envoy monitor arm. E2 offers a polished design with maximum flexibility for user screen interaction. With a recent study citing 24% of workers experience neck pain, the E2 seeks to optimize user performance and adjustment control while eliminating the strain on neck muscles.

With a fast and easy install, quick release tilter and featured sliders on the dual arm, the E2 proves to be the ideal monitor arm for both home and office environments.

FEATURES

- **Sleek:** Clean lines and a modern silhouette provide a stylish profile for either home or office.
- **Ergonomic:** Allows monitors to be placed at an ergonomically correct distance from the user’s eyes to increase comfort and productivity no matter where a person is working.
- **Dynamic:** Portrait-to-landscape rotation feature reduces stress on the neck and shoulders.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapters included.
