

RETURN AUTHORIZATION:

Use this authorization form to give us the pertinent information for this return. It is usually not necessary to return the electric cord, the power supply or foot switch. Please remember to remove the Diablo (if installed) before packing it in a well-protected box with at least two inches of insulation on each side, and hopefully in the cushioned foam in which it came with. It is easier if you remove the 3 bolts that hold onto the stand (which does not have to be returned).

Please print this page and include it with any machine or equipment you are returning to:

**Wise USA, Inc.
131 South Lamer Street
Burbank, CA 91506
