

Strap Set Two for Smart Two helmet

LEFT strap

release tool

extra pins

Hello,

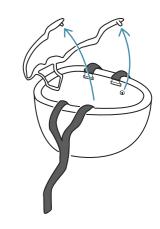

Please follow this guide for a safe replacement of your straps.
We suggest that you replace the straps one by one to avoid mixing up the straps (right/left).

You can also watch our video guide here:

When you have replaced the first strap, replace the other strap by repeating step 3-9.

Finally re-attach the neck adjuster and adjust the new straps in order to fit you.

Enjoy your **YAKKAY**
