4BOND BOND BUILDING
SHAMPOO AND CONDITIONER
8oz and 26oz

With a rich, thick, creamy color hold, the bond building formation is sulfate, paraben, and sodium chloride free. Using both with a pH 5.5 AFTER color/chemical services will rebuild hair bonds and fortify highly damaged and dry parts of the hair shaft. With continued at home use, these products provide luxurious, soft and shiny hair while maintaining and preparing the hair's health BEFORE it's next color/chemical service.

FKS

FUNCTIONAL KERATIN SERUM

Bioactive technology contained in FKS helps repair, rescue, renew, and protect hair. FKS has the unique ability to actually restructure hair by embedding proteins, providing a permanent conditioning service. This product intelligently repairs damaged areas of hair, eliminating frizz, giving shine and health to the hair. To use FKS for a permanent conditioning service, hair must be in reduced state (such as during a chemical service).

20% Savings!

WATERCOLORS BASE DROPS

Provides the ultimate versatility in fashion color creation and maintenance. Works on hair as dark as a level 6.

Mix it into conditioner to create, tone, and refresh color, or apply it full strength to create the most extreme fashion colors as a direct dye.

Add it to the WC Intense Shampoo to increase the intensity of deposit.
