THANK YOU

Thank you for purchasing the iContact case with built-in rechargeable battery for iPhone 5. When used properly, this battery case can double the time you use your iPhone before you have to stop to plug it in again. When your phone's internal battery is almost empty, simply switch to the auxiliary battery built into the case and keep using your phone without interruption.

PARTS & FUNCTIONS

1. iPhone 5 Power
2. Camera Hole
3. iPhone 5 Connector
4. Speaker
5. Microphone
6. Headset
7. Micro Input
8. Mute
9. Volume +/-
10. Power Switch
11. Power Indicator

Micro USB
Cable Included

INSTALLATION

1. Place phone into case by sliding down
2. Slide cover down to close case

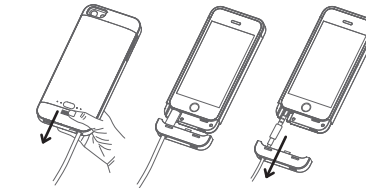

REMOVING THE PHONE

1. Slide cover up to open case
2. Remove the Phone by sliding up

REMOVING HEADSET

1. Press as shown in diagram and push bottom cover out as indicated.
2. Pull headset cable to remove

CHARGING THE CASE

Connect the Micro USB cable to the case and plug into a computer USB port or USB wall adaptor (not included). Lights flash while charging and remain lit when fully charged.

If the phone is inserted in the case while the case is plugged in and charging, the phone will charge first, then the case will charge.

To computer or USB Wall Adaptor

CHARGING YOUR PHONE

1. Place iPhone 5 into case and press the power switch for 1 full second to begin charging the phone. The lights will turn off after 5 seconds to preserve power.
2. To check the battery power level, gently press the power switch to turn on the power indicators.

75–100%
50–75%
25–50%
1–25%

Each light indicates 25% power.

TIPS & TROUBLESHOOTING

1. If the case does not charge with the phone inserted, try charging the phone and case separately a few times then together again.
2. Use only branded 5V/1A chargers.
3. Disconnect cable after case is fully charged to reduce risk of diminishing battery life.
4. If you encounter "Does not Support Charge" message, output of charger is not enough. Make sure to use a branded 5V/1A charger.

WARNING!

Read all included instructions and warnings prior to using this product. Failure to read and follow safety instructions could result in fire, explosion, electrical shock or other hazard causing serious and/or fatal injury and/or property damage.

1. Do not modify, disassemble, open, drop, crush, puncture or shred this product.
