

# BESTA LEGS GUIDE

FRONTERIORS BESTA SINGLE LEG

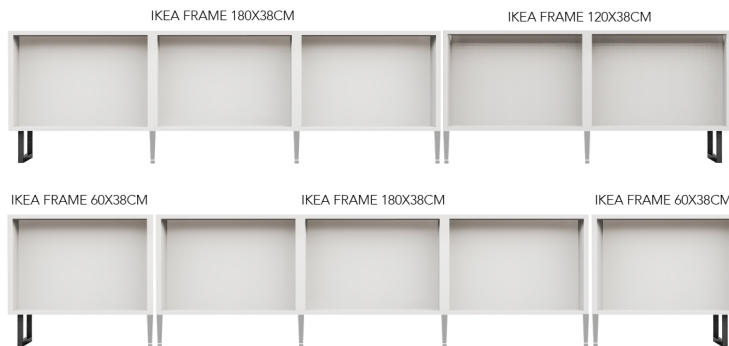

IKEA'S SUPPORTING LEG

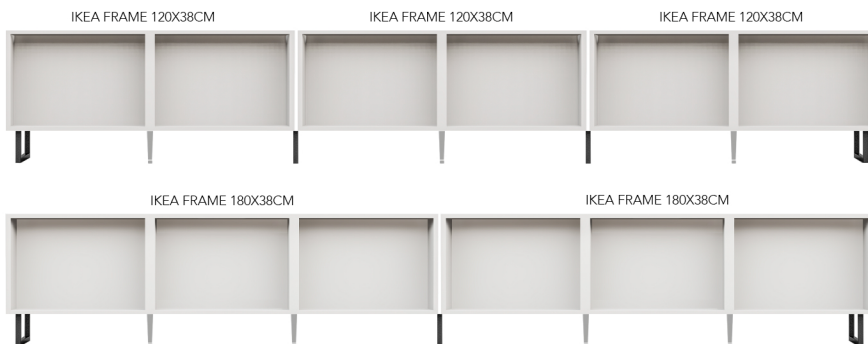

## 4 DOOR BESTA COMBINATIONS

## 5 DOOR BESTA COMBINATIONS

## 6 DOOR BESTA COMBINATIONS

- Our single legs for BESTA fit into IKEA's pre-drilled holes for legs and come with complimentary screws and are available in Black, Gold & Chrome colors.
- When you are installing two frames side by side, two of IKEA's supporting legs are used at the joint.
- Our single legs for BESTA can be used as on the side of the frame, but can work as a joiner leg if you are installing two frames side by side.
