Consignment terms:

Consignment Fee: Our store policy states that On Course Consignment Shop will take 45% of all items consigned. We will do markdowns every 2 months on all items, until items are sold. **No exceptions.** Checks will be mailed for items sold the following month. **Checks not processed within 1 year will be VOID, and only store credit will be issued.**

Consigned items can remain at the store for one year. **Any item not sold or picked up within the 12-month period will be donated.** Consignor is responsible for keeping track of the consignment date. On Course will **NOT** notify Consignor of the year term ending.

If the Consignor wishes to pick up remaining items a one week advanced notice is required.

When dropping items off to be consigned if we find we can not take a particular item we will notify you. We will hold the item for one week. If that item is not picked up within one week, we will donate the item. **NO EXCEPTIONS** (saddles included).

If you consign 50 items or more at the same time, they must remain in the store for 6 months.

Indemnification: Consignee agrees to indemnify, defend, and hold harmless Service Provider, its affiliates, officers, directors, employees, consultants, and agents, from any and all claims, liability (including product liability), damages, and/or costs (including, but not limited to attorney's fees) that arise from your use of any of Service Providers services.

Please sign below acknowledging that On Course will price your items accordingly. Any items we feel we cannot sell will be donated.
