## Back to Wall Bath

Length 1520mm  
Width 740mm  
Depth 530mm

Left Hand model shown

### Create a Relaxing Sanctuary

The contemporary contours of the Varo Back to Wall Bath are designed to compliment your bathroom, creating a relaxed environment for the whole family to enjoy. Choose left or right hand configuration.

#### CONTEMPORARY DESIGN

- The back-to-wall design creates the look of a freestanding bath but with the convenience and space saving of a drop-in bath

#### SHOWER OVER BATH

- A near vertical internal shaped end creates the perfect shape for a shower-over-bath
- Optional upstands create a water tight seal between bath and wall liner or tiles

#### 5 YEAR WARRANTY

- Applies to residential, domestic use only
- When installed according to supplied instructions
