Safe Use Specification:

- Do not disassemble or modify the headphones for any reason. Otherwise, the headphones may malfunction or burn out. These are not covered by the warranty.
- Do not immerse the headphones in the liquid, otherwise the headphones will be seriously damaged.
- Do not use the headphones in an environment where the temperature is too low or too high (below 0 degrees or above 45 degree).
- Please avoid the child or animal's eyes close to the indicator light of headphones.
- Do not use headphones in thunderstorms. Thunderstorms may cause the headphones to work abnormally and increase the risk of electric shock.

5

ATTENTION!

Please be careful while listening to music. Blaupunkt has always ensured that every audio product is powerful and produces massive bass and other audio ranges. Please raise the volume levels slowly and do not play music at full volume levels as this could hurt your ears.
