LED Instructions

Power on	Blue light is on
Power off	Red light flashes untill off
Pairing mode	Red and blue flash alternately
Charing	Red light is on when charging, and light is off after getting full charged
Connected	Blue light flashes slowly

Note

1. Please turn off the device to avoid power consumption if no pairing operation taken after bluetooth headphone entering pairing system.
2. Please do not make other operations when searching bluetooth in case of procedure error.
3. Please adjust volume properly to avoid doing harm to ears.
4. Please pay attention to the using environment to prevent damage to the bluetooth headset.
5. Please get bluetooth headphone full charged firstly when using if not being used for a long time before.

ATTENTION!

Please be careful while listening to music. Blaupunkt has always ensured that every audio product is powerful and produces massive bass and other audio ranges. Please raise the volume levels slowly and do not play music at full volume levels as this could hurt your ears.
