AUSTRALIAN HONEY BEE \$2

2022 marks 200 years since the establishment of the Australian honey bee industry. The Royal Australian Mint and the Australian Honey Bee Industry Council proudly present this delightful, striking and colourful \$2 coin.

Introduced in 1822, the European honey bee successfully adapted to Australia's climate and flora; making them responsible for producing the majority of Australian honey.

These rolls have been issued in brown paper printed with the words "Australian Government Royal Australian Mint" and struck with a limited mintage of only 15,000 rolls.

2022 BICENTENARY OF ROYAL AGRICULTURAL SOCIETIES & SHOWS

Nothing conjures the experience of an agricultural show like the sights and sounds of the ring and sideshow alley, the frantic thud of the wood chopping competition and the prized livestock and produce arrayed in the pavilions.

Marking the bicentenary of the foundation of Australia's eight state and territory Royal Agricultural Societies and the first agricultural show in 1822, the Royal Australian Mint is releasing two commemorative coins.

2022 THE QUEEN'S PLATINUM JUBILEE

In early 1952, Princess Elizabeth left England on an official tour of the Commonwealth. She was standing in for her father King George VI, who was too ill to travel. On 6 February, while in Kenya, she received a telegram with news of the King's death and her accession to the throne.

Crowned on 2 June 1953, the Queen's reign has been nothing short of remarkable. Admired as a symbol of strength and stability and beloved by people around the globe, she became the longest-reigning monarch in British history on 9 September 2015. On 6 February 2022 she became the first British monarch to celebrate 70 years on the throne.

To celebrate this milestone, The Perth Mint have released a 99.99% 1oz silver and 99.99% 1/4oz gold which both portray the Shield of the Royal Coat of Arms featuring three lions passant, a harp, and a lion rampant – ancient heraldic symbols of England, Ireland and Scotland. A figurative flower stem combines stylised representations of an English rose, Irish shamrock and Scottish thistle, together with Australian wattle.

A special obverse depicts a fan of wattle overlaid with Her Majesty's first and current coin effigies.

2022 2oz GILDED KOOKABURRA

This extraordinary 2oz silver proof gilded high relief coin showcases Australia's largest kingfisher, the kookaburra

The reverse design on this \$2 depicts a representation of a kookaburra perched on an ornamental bird bath among Agapanthus, flowering plants regularly seen in Australian gardens. The bird and outer ring of the coin are gilded in 24-carat gold.

The coin has been struck with an extra-deep blank to showcase its superbly detailed design in high relief.

2022 WOMBAT SILVER

The Perth Mint has released this wonderful 1oz silver uncirculated coin celebrating an iconic Australian marsupial. The wombat is a sturdy quadruped found in forested, mountainous and heathland areas of eastern Australia and Tasmania. With powerful limbs and sharp flat claws, it is ideally built for digging. At up to one meter in length, it is one of the largest burrowing animals in the world.

2022 KANGAROO SERIES

Now in its 29th year, the Royal Australian Mint has immortalised Australia's most iconic animal as part of its ongoing 'Kangaroo Series'.

Impressions of Australia's distinct landscape interweave with the ever present icon of the bush, the eternal kangaroo. The emphasis on form, clarity and composition is achieved through suggestions of landscape - a key approach of the Australian Impressionist Movement - The Heidelberg School.

GREAT BRITAIN/ENG

The now standard four-coin Maundy money issues began with the undated hammered silver penny, twopence, threepence and fourpence (groat) pieces of Charles II. Designed by Thomas Simon, they were first issued on 9 May 1660. Since then, it has been an annual tradition for the reigning British monarch to distribute a mixture of these four 'Maundy money' denominations.

HMAS SYDNEY - SMS EMDEN

On the 9th November 1914, the Royal Australian Navy entered its first engagement off the Cocos Keeling Islands with German light cruiser SMS Emden. After a one and a half hour battle, the Emden was run onto a reef and suffered 131 casualties and 65 wounded.

Approximately 6000 Mexican silver 8 reales were recovered from the wreck. Sydney jeweller, William Kerr was commissioned to strike and assemble 1000 commemorative medals using the 8 reales with the intention of presenting them to all officers and ratings aboard Sydney at the time of the Cocos Battle.

2022 BABY COIN COLLECTIONS

Imagine if the animals on Australia's circulating coins were transformed into adorable baby toys! The 2022 Baby Coin Sets from the Royal Australian Mint does just that, creating a uniquely Australian and simply adorable numismatic memento. The perfect first gift for any little newborn collector!

The shy lyrebird on the 10c coin now a winky-wonky marionette puppet, while the 50c coat of arms has been given a riotous party makeover with plush roo and emu. Finally, the \$2 coin show an adorable Indigenous baby, looking with giggling wonder at a cute star mobile.

Altogether, they create a unique and engaging year set that celebrates the arrival of a new baby, the wonders of a child's imagination and the simple joys of collecting.
