2021 MUNGO FOOTPRINT

Twenty thousand years ago a family group walked across the soft claypan of an ancient drying lake bed in the Willandra Lakes Region World Heritage Area. A few days later a number of hunters ran across the area chasing game. Finally, and most remarkably, an individual 'hopped' across the claypan leaving a single line of right footprints.

These three journeys or stories have been captured forever in the petrified clay of the Willandra Lakes Region World Heritage Area, and are known as the Mungo footprints.

AUSTRALIA 2021 YEAR SETS

The 2021 uncirculated and proof six coin year sets commemorate the 50th anniversary of the Australian Aboriginal Flag - a touchstone of our modern history, an official Flag of Australia and a symbol of pride and unity for our First Nations People.

These sets feature a specially designed coloured two dollar coin inspired by Harold Thomas' iconic Australian Aboriginal Flag. The 5c, 10c, 20c, 50c, \$1 & \$2 are struck to the mint's world class standards of quality.

Imagine if the animals on Australia's circulating coins were transformed into adorable baby toys! The 2021 Baby Coin Sets from the Royal Australian Mint does just that, creating a uniquely Australian and simply adorable numismatic memento. The perfect first gift for any little newborn collector!

A posable wooden echidna snuggles on the 5c, a cute wind-up platypus swims amongst the bubbles on the 20c, while an adorable mob of cuddly plush kangaroos flop about on the back of the \$1 coin.
