

JUST FOLLOW YOUR ART

Hey all! I'm Jesi, lettering artist and owner of *Just Follow Your Art* a stationery studio specializing in clever paper goods + gifts. I'm thrilled to share the latest collection of products, with sentiments ranging from playful to powerful!

As you browse this catalog you'll find gifts your customers are actually excited to give + receive! Just Follow Your Art products feature my signature handwriting, humor, and heart. This year the line has expanded to include over 170 greeting cards, 55 stickers, 9 notepads and more. Be sure to check out the brand new collection of bookmarks (pg. 30)!

Carrying Just Follow Your Art at your shop isn't really about selling a card- it's a laugh, it's encouragement, it's a moment of human connection. I take immense pride in designing products people use to celebrate others! Everything is designed and shipped from Michigan by yours truly.

Please do not hesitate to share what customers say about Just Follow Your Art products, along with your feedback. Send me an email or share on Instagram and tag **@justfollowyourartshop** in the photo!

I am honored to work with you. Thank you so much for supporting this woman-owned & operated small business!

Enjoy,

Jesi
