B Earphones Status Light

Indicates if the earphones are on/off, pairing or charging.

C Charging Case Status Light

This light will flash RED when charging and the RED light will remain on when full charged.

D Type-C Charging Port

This is the area to plug-in and charge your charging case station and earphones.

3 Quick Start Guide

3.1 Charging & Powering ON

- 1 Connect the Type-C cable (only use the provided cable) to a computer USB port or a USB wall charger. Plug the other end of the Type-C cable into the Type-C charging port (D) located on the back of the Charging Case Station. While charging the LED indicator light (C) will flash RED. When the battery is fully charged, the RED LED on the Charging Case Station will remain on.
- 2 Open the top of the Charging Case Station and place your earphones in their initialled/designated areas. Once properly in place the LED lights (B) on the earphones will illuminate RED and the LED indicator light (C) on the Charging Case Station will illuminate BLUE. When the earphones are fully charged the LED lights will automatically turn off.

3 Quick Start Guide

3.2 Turning ON/OFF - 2 Options

- 1 The first option is when your earphones are turned off, press and hold the Multi-Function button (A) for 2 seconds to turn ON your earphone. If your earphones are already ON, press and hold the Multi-Function button (A) for 4 seconds to turn OFF your earphones.
- 2 The second option is when you remove your earphones from the Charging Case Station they will turn ON automatically. When you put them back in the Charging Case Station they will turn OFF automatically and begin to charge if needed.

3 Quick Start Guide

3.3 Bluetooth Pairing - Method 1

- 1 Ensure the earphones are turned off, then press and hold the Multi-Function button (A) for 2 seconds to turn the earphones ON. The earphones will enter Bluetooth pairing mode automatically and emit a tone as the LED indicator light (B) on one of the earphones will flash BLUE and RED. Make sure your device has Bluetooth enabled.
- 2 Ensure Bluetooth is enabled on your smartphone or music device. Your device will start searching for wireless devices. The earphones will appear as "sonicB honest earphones" in the list of available Bluetooth devices.
- 3 Select "sonicB honest earphones" The LED will begin to blink BLUE slowly and the earphones will emit a tone to indicate that it has been successfully paired with your device.

3 Quick Start Guide

3.4 Bluetooth Pairing - Method 2

- 1 Pick up both earphones from the Charging Case Station to power on. Your earphones will connect to one another after a few seconds and automatically enter pairing mode. One of the earphones will flash RED and BLUE steadily waiting to be paired to a device.
- 2 Ensure Bluetooth is enabled on your smartphone, tablet, computer, or music device. The earphones will appear as "sonicB honest earphones" in the list of available Bluetooth devices.
- 3 Select "sonicB honest earphones" and connect.

3 Quick Start Guide

3.5 Single Earphone Mode

- 1 Remove either the RIGHT or LEFT earphone from the Charging Case Station or only turn ON one of the earphones.
- 2 Turn ON by pressing and holding the Multi-Function button (A) until the earphone prompt says POWER ON. After a few seconds the earphone will go into pairing mode (flashing RED & BLUE).
- 3 Open your Bluetooth setting on your device and pair again if needed. The earphone will appear as "sonicB honest earphones" in the list of available Bluetooth devices. Select "sonicB honest earphones" and connect.

4 Bluetooth Functions

- 1 **ANSWER & HANG UP CALLS**
When there is an incoming call, press the Multi-Function Button (A) on the RIGHT or LEFT earphone once to answer the call, press the Multi-Function Button (A) once again to

hang up the call.

- 2 **REJECT CALLS**
When there is an incoming call, press and hold the Multi-Function button (A) on the RIGHT or LEFT earphone for 1-2 seconds to reject the call.
- 3 **PAUSE & PLAY MUSIC**
When playing music, press the Multi-Function button (A) on the LEFT or RIGHT earphone once to pause music, press the button once again to play music.
- 4 **NEXT & LAST TRACK**
When playing music, double press the Multi-Function button (A) on the RIGHT earphone to skip to the next track, double press the Multi-Function button (A) on the LEFT earphone to skip to the previous track.
- 5 **VOLUME UP & DOWN**
When playing music, triple press the Multi-Function button (A) on the RIGHT earphone to increase the volume, triple press the Multi-Function button (A) on the LEFT earphone to decrease the volume.
- 6 **VOICE ASSISTANT**
Hold the Multi Function button (A) on either the LEFT or RIGHT earphone for 1-2 seconds until you hear the "beep" prompt to activate Voice Assistant (Google Assistant™ or Siri®) on your smartphone.

8 Care & Maintenance

- DO NOT expose the unit to liquid, moisture, or humidity to avoid damage to the product's internal circuitry.
- DO NOT use abrasive cleaning solvents to clean the unit.
- DO NOT expose the unit to extremely high or low temperatures as this will shorten the life of the electronic device, destroy the battery, and/or distort certain plastic parts.
- DO NOT dispose of the unit in fire as they may explode or combust.
- DO NOT expose the unit to and/or use sharp objects on the earphones as this will cause scratches and damage.
- DO NOT attempt to disassemble the unit.

In the event that the unit does not function properly, return it to the store where it was purchased.

Li-ion

Do not dispose of Lithium-ion batteries with general waste. Please return it to a battery recycling collection point.

9 Warranty & Legal

- The condition of this warranty and our responsibilities under this warranty are as follows: Supplier's warranty is non-transferable. This warranty is limited to the original purchaser only.
- You must be able to prove the date of original purchase of the unit with a dated receipt.
 - The warranty is not applicable if the product has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.
 - The responsibility of supplier's products shall be limited to the repair or replacement of the product as its sole discretion.
 - Specifically exempt from any warranty are limited-life consumable components subject to normal wear and tear such as batteries, earbuds and other accessories.
 - A supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse, or any unauthorized repair, modification or disassemble.
 - Modification and repair of the unit should be done by authorized and qualified service personnel, Center or returned to the manufacturer.
 - This warranty give you specific legal rights, and you may also have other rights which vary under local laws.
