## Simply Better

BEEKEEPING PRODUCTS

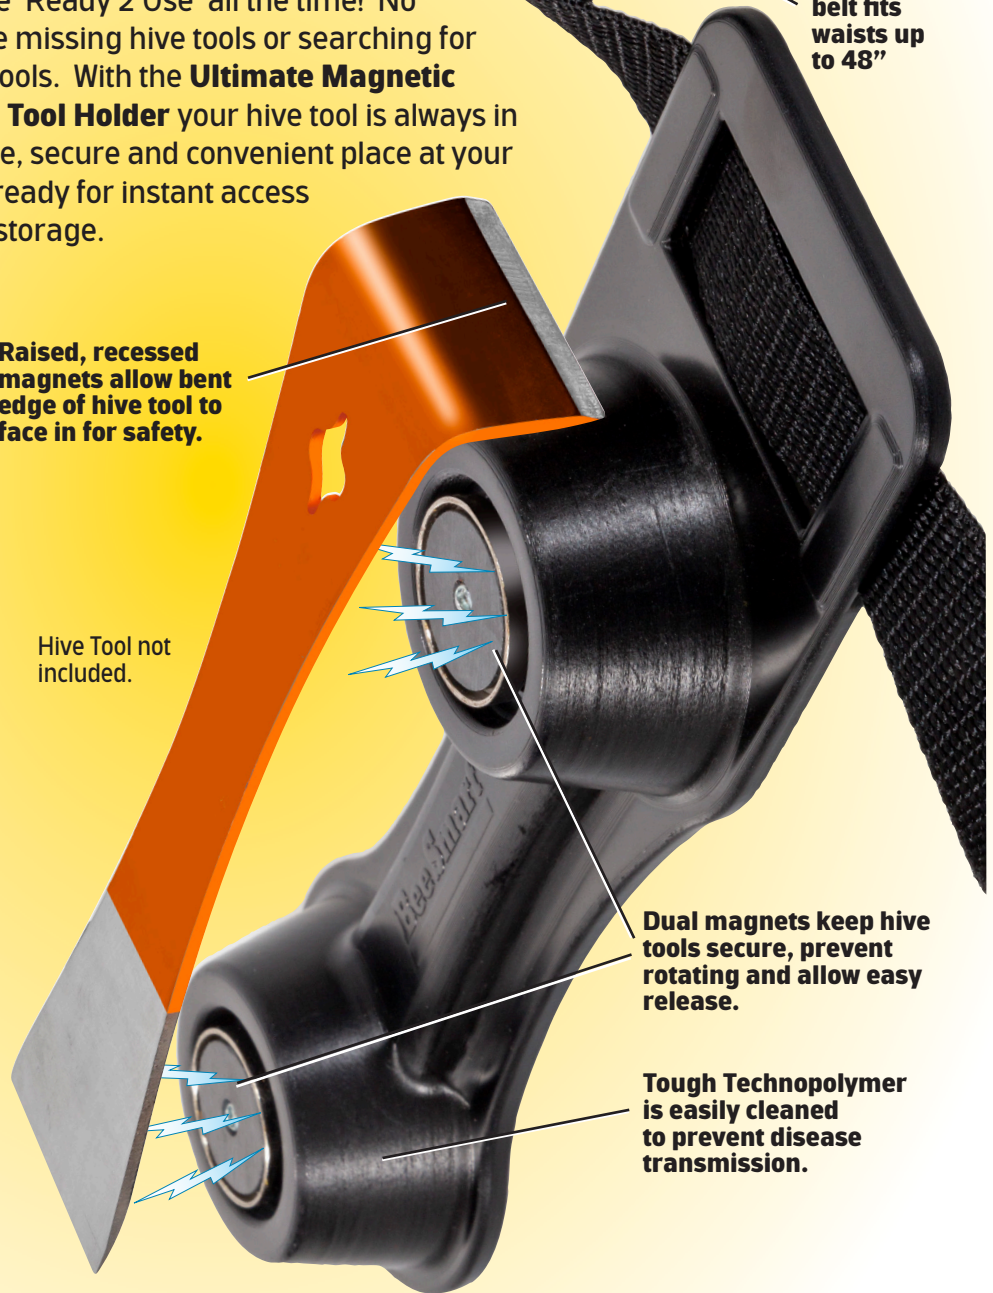

Discover the easiest, fastest, safest and most convenient way to access your hive tool: have your hive tool at the 'Ready 2 Use' all the time! No more missing hive tools or searching for lost tools. With the **Ultimate Magnetic Hive Tool Holder** your hive tool is always in a safe, secure and convenient place at your hip, ready for instant access and storage.

Adjustable belt fits waists up to 48"

Raised, recessed magnets allow bent edge of hive tool to face in for safety.

Hive Tool not included.

Dual magnets keep hive tools secure, prevent rotating and allow easy release.

Tough Technopolymer is easily cleaned to prevent disease transmission.

Made in USA with recycled materials.
