#### CELEBRATE WITH CORAL THIS

# VALENTINE'S DAY

## Coral, the protective stone, from Chantecler Capri Jewelry

A symbol of protection since ancient times, coral has been coveted as a talisman to ward off evil and ill intent. While it might not prevent Covid, it will inspire compliments. Precious coral or red coral is the common name given to Corallium rubrum, otherwise known as "noble coral", considered the most desirable type of coral for jewelry.

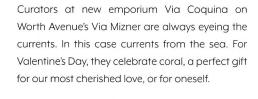

## Our picks for Valentine's:

#### About Via Coquina

When Cara Polites Ferro opened Via Coquina, a meticulously curated boutique featuring fine artisan treasures last year in the midst of the pandemic, it didn't take long for Palm Beachers to discover they could experience the charm of their favorite Mediterranean port of call right here, on Worth Avenue's Via Mizner. Cara's recent travels to her native Greece and Mediterranean Coast have resulted in beautiful unique additions to her eclectic, yet authentic collection of home décor, dinnerware and table linens as well as fashion, jewelry, apothecary and accessories.
