

DOMETIC BRISK II AIR - COOL ONLY

Dometic presents the Brisk II Rooftop Air Conditioner - the stronger, lighter, smaller and more environmentally friendly RV air conditioner. The Brisk II uses its smart design, tighter specification allowances and improved materials to maximize air flow and performance. This newest RV air conditioner unit offers 15 % increased air flow and yet is 19 % lighter than previous models. It's the smallest rooftop air conditioning unit available and is sure to impress.

- EPP foam housing reduces weight and increases cooling performance
- Easy installation and maintenance
- Requires Single Zone LCD Thermostat or ADB
