SATELLITE TV ANTENNAS STATIONARY (Portable & Roof Mountable)

Automatic satellite acquisition
Powered over coax (no separate
power cable to antenna)
Supports multiple TV viewing
DIRECTV® SD programming*

KING Quest, **VQ4100**

Get satellite TV service in Canada with the VQ4200 model.
Preprogrammed for Bell service in Canada.

Easily re-configured for use with DISH; allowing Canadians
traveling to the U.S. to subscribe to DISH Pay-As-You-Go
monthly service with no long-term contract. No U.S.
address required!

KING Quest, **VQ4200**

Fully automatic
Powered by receiver over coax
DISH® SD and HD programming
Supports multiple TV viewing**

KING Tailgater, **VQ4500**

Works with DISH® pay-as-you-go
programming or may be added
to your home DISH® service

IN-MOTION (Roof Mount Only)

Enjoy LIVE satellite TV while on-the-go
Works with DISH® HD & SD, DIRECTV® SD and Bell™ HD & SD
Dual output for 2 receivers

KING Dome, **KD3000 (White) & KD3000B (Black)**

*Does not receive DIRECTV HD programming. Not compatible with DIRECTV Ka band
satellites or SWM-only receivers. **Programming must be on the same satellite.

OVER-THE-AIR TV ANTENNAS

Simple, fast antenna pointing
Always ready for travel, no cranking up or down
Built-in signal finder

KING Jack Antenna w/ SureLock,
OA8200 (White) & OA8201 (Black)

Upgrade your batwing to digital TV
Simple 5 minute retrofit
Improved UHF reception (80% of all channels)
Includes universal bracket for home use
360° rotation eliminates the dead-spot limitation of
batwing antennas

(Poles not included)
KING Jack Replacement Head,
OA8000

Provides a watertight mounting surface
when installing the KING Jack with mount.
Jack Mounting Plate, **MB8100**

Easily pinpoint local TV towers in seconds.
Use with any directional RV antenna.
KING SureLock Signal Finder, **SL1000**

KING SATELLITE ACCESSORIES

Connects between your portable satellite antenna and receiver. Alarm sounds if antenna is disconnected. For use with single receiver only.

Portable Satellite Security Alarm, **AL1000**

Use when mounting KING Tailgater, KING Quest or KING Dome to the roof of your RV to provide a watertight seal where cables penetrate the roof.

Cable Entry Cover, **CE2000**

Use with KING Quest antenna to switch between DIRECTV®, DISH® & Bell™. Built in security alarm to protect your KING Quest from theft.

KING Controller, **UC1000**

Keep your KING antenna off the ground and protected from pooling water and insects with this adjustable tripod. Includes custom quick connect plate for KING antennas, leg anchors for stability and a convenient carry bag.

Tripod Mount, **TR1000**

For semipermanent installation of KING Tailgater or Quest on long-haul trucks. Features built in vibration isolation for heavy duty applications.

Cab Mount, **MB150**

Allows temporary mounting of KING Quest or KING Tailgater antenna to window of long-haul trucks or side of RV. Includes (2) no-drill mounting plates and VHB tape for mounting on side of RV.

Portable Antenna Mount, **MB500**

For semipermanent installation of KING Tailgater or KING Quest on the roof of your RV. Offers the ability to remove your antenna without breaking the roof seal. Get the advantages of a permanent mount plus portability all-in-one.

Removable Roof Mount Kit, **MB600**

For KING Tailgater and Quest antenna* Conveniently protects & stores your portable satellite antenna and accessories when not in use.

- Zippered storage bag with carry handles
- Padded for antenna protection
- Storage pockets for cables, receiver & remote control

*Carry bag for models VQ4100, VQ4200 & VQ4500 only.

Carry Bag, **CB1000**

Antenna sold separately
