Portable Surge Protector Kits

Portable surge protector kits contain a separate receptacle tester to detect wiring faults at the pedestal and surge module to attach to the detachable power cord. Separating the two functions reduces the size of the product while increasing protection from inclement weather. Kit contains receptacle tester and surge module.

39

RV Receptacle Testers

Receptacle testers detect wiring faults at the pedestal, including open ground, open neutral, open hot, hot/neutral reversed and hot/ground reversed. Includes swivel handle for easy removal from the pedestal.

39

RV Surge Modules

Surge modules attach to the detachable power cord to provide surge protection. The compact size increases protection from inclement weather. Contains surge protection indicator alerting user when depleted.

Surge module ratings:

- 30A: 22,500A max spike / 1,100 joules
- 50A: 45,000A max spike / 2,030 joules

43

Resettable Circuit Breaker Adapter

50A RV male to (2) 15A female resettable circuit breaker adapter provides 2 resettable 15A receptacles from a 50A pedestal. This adapter is designed for 30A RV users that do not want to draw additional power from their 30A or 15A service which may trip breakers at the pedestal. Each 15A receptacle is wired independently to an illuminated circuit breaker making it the safest and easiest to use solution for additional 15A power. The compact design allows the electrical box to close and makes it optimal for use with power strips and extension cords.

Portable Surge Protector Kits **NEW**

Portable surge protector kits contain a separate receptacle tester to detect wiring faults at the pedestal and surge module to attach to the detachable power cord. Separating the two functions reduces the size of the product while increasing protection from inclement weather.

- Kit contains Receptacle Tester and Surge Module (components available separately)
- Tests the following with a single indicator:
 - Open Ground, Open Neutral, Open Hot
 - Hot/Neutral Reversed, Hot/Ground Reversed
- Surge module ratings:
 - 30A: 22,500A max spike / 1,100 joules
 - 50A: 45,000A max spike / 2,030 joules
- Surge module contains surge protection indicator alerting user when depleted
