

ALBM series

(Adjustable Locking Ball Mount)

The ALBM gives you lightning-quick adjustments, maximum theft protection, and stunning good looks. With integrated locks, you know your ball mount is secure on your truck, and the dual locking hitch balls make towing different trailers a snap. With a gorgeous, hand polished finish and beautiful engineering, the ALBM is top-of-the line in design and function.

ALBM features:

- Integrated dual lock system - eliminates the need for separate locking hitch and height-adjustment pins
- Strong stainless steel integrated lock pins for maximum theft protection
- Aircraft-grade aluminum and stainless steel construction for corrosion resistance and outstanding performance
- 1,000 lb. max tongue wt. / 10,000 lb. max trailer wt.
- Easy access front-facing locks
- Hand polished mirror finish, making your truck look its best
- Limited one year warranty
- Made in the USA

ALBM options:

- Dual hitch balls (1-7/8" and 2" combo or 2" and 2-5/16" combo)
- Chrome plated or solid stainless steel hitch balls
- Stainless tri-ball system includes all three hitch ball sizes
- Models available to fit 2-1/2" receivers
