

## SURGE GUARD® RV CORDS AND ADAPTERS

# Providing Power For Your Journey

**Safety and Reliability.** The last thing you want to worry about when you are on a road trip is the quality of power being supplied to your RV. Southwire's Surge Guard® power cords and adapters, when used with Surge Guard® surge protectors, help protect your RV against dangerous power surges and provide peace of mind when

you hook up your RV at a campground, motor park, or recreational area.

Surge Guard® cords and adapters are manufactured to withstand a variety of environmental conditions while providing a safe and reliable supply of electricity.
