Align the legs

Starting with table top facing down, align each leg with the sets of holes on the bottom of the table (one at a time.)
Secure the legs

Insert fasteners into the two holes on each leg. Hand-tighten each fastener to secure the legs to the tabletop (x6).
All done

Don’t be shy—we’d love to see your table’s new home!

WARNING

ASSEMBLY:
Use extra caution when assembling and have someone assist you. Do not change the specifications or modify this product or use for any other purpose beyond its intended use as a table. Incorrect assembly can cause product to fail and cause personal injury. Double check that all fasteners are tightened before use. Use caution and have someone assist you when flipping over the Table.

USAGE:
Remove all packaging before first use. Check periodically that all fasteners are securely tightened. Be aware that fasteners may become loose with prolonged use. Do not drag the legs on floor. The legs and Tabletop are only intended for use as shown with The Floyd Side Table. The Table is only meant for use indoors. Do not load the Table with more than 200 lbs. Do not stand on the Table. Standing or leaning on the Table may cause risk and personal injury. The Table should only be used with all 3 legs firmly set on level ground. Inspect fasteners and metal legs regularly. Replace if fasteners are damaged, or if metal parts are worn, rusted, bent, deformed or damaged. Do not attempt to detach legs while table is upright/standing. Use caution when moving or flipping the table over. Failure to observe recommended practices such as loading beyond capacities can result in unsafe usage conditions and product damage or personal injury.

CHILDREN:
Exercise caution when children are near or using table. Do not allow children to loosen, remove, or play with the fasteners or metal legs. Do not allow children to climb on, sit or stand on top of, or play underneath the Table. Keep all packaging and parts away from children. There is a risk of choking and suffocation.
