## Galleys

LifePort Interiors specializes in the design, engineering and production of interior monuments for all ranges of aircraft including business jets and helicopters. We have completed multiple ship sets of unique galley designs for large aircraft including a KC-135s, Boeing 757s and 737-800s. Additionally, we have completed a wide variety of refreshment centers and storage cabinets for business jets and rotor craft. Individual galley products have been developed and delivered for both military and civilian VIP customers.

### OUR IN HOUSE SERVICES INCLUDE

- Build to Print
- Design – Build
- Complete Engineering Services
  - Structural Substantiation
  - Electrical Substantiation
  - Plumbing Integration
- Manufacturing
- Decorative finish

For customers with weight critical aircraft, we offer optimization services to provide the lowest possible monument weights while maintaining the structural integrity criteria of FAR part 23 and FAR part 25. FAA/DER certification via FAA Form 8110-3 and full scale static load testing is available upon request.
