## FRESH LOOKS

Pick up your stylish and comfy pair of footwear this season from  
**VALENTINO - FRESH LOOKS** collection

The FRESH LOOKS collection will be an absolute surprise for men and women who are eager to flaunt their style without compromising on comfort. The range is made of 100% genuine smooth leather with a soft light sole and its breathable properties making it super comfortable to wear, soft memory foam padding foot beds, abrasion resistant and anti-skid sole thereby making it a perfect wear for anybody to wear for long hours.

True to our core philosophy "Make in India" and our "Go-to-Market Approach", we are immensely satisfied with our rising consumer base. Our wide retail network across three large stores in Agra and a wide network of over 500 Shop-in-Shops across India are fully geared to make this range available to our consumers. You can also choose to buy these new offerings online from our website [www.valentinoindia.com](http://www.valentinoindia.com)

# QUALITY+

## TESTED

---

All our products are tested and certified beyond the regional norms. Our Quality+ level is among the highest in the industry.

## PROCESS

---

Our manufacturing processes are kept efficient and up to date. Allowing for the fastest and highest quality footwear production around the world.

## MATERIALS

---

We maintain the highest levels of quality by using the best materials, partners and suppliers. All our products carry a minimum 3 month Warranty of Mfg. Defects.
