

Swick

WINES

RAW WINES FROM THE PACIFIC NW

100% Chardonnay

Cancilla Vineyard | Willamette Valley AVA | Gaston, Oregon

13.2% ABV

Reminiscent of Burgundian white wines from Meursault. The Cancilla highlights a combination of honey, lemon curd, and almondy nuttiness, balanced perfectly by a bright, lemony freshness. Only two barrels were made exclusively for our Swick Club Members for the Winter of 2022.

CERTIFIED ORGANIC
FARMING

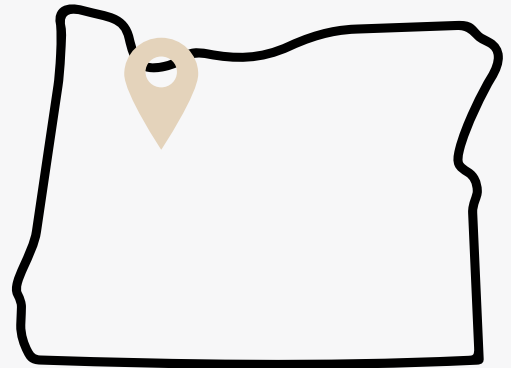

1100 CASES PRODUCED

NO FINING

NO FILTRATION

The 2020 CB spends 14 months in barrel before bottling, and remaining entirely on the lees for the duration – providing texture, weight, and structure to the wine.

Recognized for its benign but challenging cool climate and the protection of mountains on its eastern and western boundaries, the Willamette Valley AVA was first planted in 1966 and received its certification in 1988. Characterized by a long, gentle growing season, with warm summers and cool nights. Cancilla Vineyard, tucked away in the woods of the Willamette Valley with sweeping views of the surrounding mountains, is farmed by owner Ken Cancilla and has been certified organic since 1998. Growing mostly Pinot Noir, we were lucky enough to source Chardonnay (from the one acre of Chardonnay vines planted) to make a wine specifically for our Swick Club members.
