

## CALIDA WALK IN CI TWF

### Large frameless shower screen

We present you the latest solution for a modern and safe shower space in your bathroom. **Special safety foil** protects you from glass fragments in the event of breakage. In addition, you can **choose from two types of profile** and we will also offer you a choice of foil with a **modern print**. The treatment of 6 mm glass with RothETC technology, which prevents the deposition of dirt, including limescale and grease, is a matter of course. Showering will bring you even more joy than before!

 Hardened ESG glass	 Frameless design	 Glass protection
 Barrier-free solution	 Guarantee

**DELIVERY METHOD:**

**S** - items in **STOCK** - delivery in the earliest possible date

**O** - items to **ORDER** - delivery time should not exceed 14 working days

**Z** - **CUSTOMIZED** items - delivery time should not exceed 30 working days

**ATTENTION:** Nominal sizes of shower enclosures are designed for **INSTALLATION ON THE TRAY** and they are always assembled with indentation from the edge of the tray. With **INSTALLATION ON THE TILES** there is a risk, that the size of shower enclosure will be smaller than measured width of the tiles. It is necessary to follow the size charts specified in "TECHNICAL SPECIFICATION" file, which is available to download on the product pages.
