Acknowledgement of Country

Emotions Org acknowledges the traditional custodians of the land on which we work and live.

We pay our respects to Elders past and present and celebrate the diversity of Aboriginal people and their ongoing cultures and connections to the lands and waters.

Many of the transport routes we use today for logistics – from rail lines, to roads, to water crossings – follow the traditional trade routes and ceremonial paths in Country that our nation's First Peoples followed for tens of thousands of years.

Emotions Org is committed to honouring Aboriginal peoples' cultural and spiritual connections to the lands, waters and seas and their rich contribution to society.

Eco-friendly and Sustainable.

**Made from 100% Bamboo
and 100% Recycled.**

We embrace neurodiversity.
