23 Healey Road
DANDENONG SOUTH VIC 3185

Dear Rochelle

With your help Salvos Stores are making a better tomorrow for people in our community and for our planet.

Thank you for your amazing donation which we collected on 24 August and 4 September 2023 as follows:

- **Baby Wipes 1080 cartons of 9 packs RRP \$43,164.**
- **Flushable wipes 1710 cartons of 9 packs RRP \$56,764**

Our Impact in the Community...

Items sold in Salvos Stores help raise funds for The Salvation Army to continue community services that support vulnerable Australians every day! These include those with addiction, mental health concerns, escaping domestic violence, struggling financially, experiencing homeless or at risk of becoming homeless. The Salvos are also there to assist people suffering from the effects of natural disasters.

Our Impact on the Planet...

Each year Salvos Stores diverts more than 34 million kilograms of material from landfill, with 35.5 million items sold for reuse.

Our reuse program has prevented 580,000 tonnes of CO2 emissions, or the equivalent absorption of just under 300 million trees!

Businesses and individuals are choosing to protect our environment by reusing, recycling, repurposing, reselling, gifting or donating goods that would otherwise end up causing havoc on the environment.

Your donation supports this life changing work of the Salvos and protecting the environment.

Thank you for making a difference in our community and our environment! It means the world to us!

If you would like to learn more about how your business can support The Salvation Army, please give me a call on 03 9210 5754 or email: kris.rofe@salvationarmy.org.au.

We hope to hear from you again.

In appreciation
Kris Rofe

CORPORATE DONATIONS SALVOS STORES

Gifts of trading stock may be tax deductible to donors. For more information about how gifts are tax deductible we recommend you visit the following website <https://www.ato.gov.au/non-profit/> and also seek professional advice from your taxation adviser.

"Salvos Stores provides our communities with experiences that enables positive social and environmental impact"
