

All you need to do to get started with this layout is mark out a square 164 x 164 stitches in basting stitches and you are ready!
You may wish to add a border at a later date but there is a lot going on in this design so I think it is possibly better without one/needs to be quite simple. You can leave a little additional fabric if you think you may add one later.

Vases Layout

Design size in stitches 164 w x 164 h

Size on 14 count aida

30 x 30 cm

12 x 12 inches approx

Size on 16 count aida

26 x 26 cm

10.5 x 10.5 inches approx

Size on 18 count aida

23 x 23 cm

9.5 x 9.5 inches approx
