

Steelhouette

Corporate Gifts

Our Identity

We are Steelouette, a product design startup founded in 2019.

We design, produce and sell decorative and corporate gift figurines made of steel, designed to add a touch of beauty and joy to your office.

Objective

We help you create and customise unique corporate gifts that reflect your company's identity and values.

Your Ideas, Our Expertise

For classy Corporate Gifts, Awards and Trophies, contact us, and we'll happily get creative!

Whether you have a specific idea in mind, or just an abstract thought, our design team will creatively work to bring it to life.*

** Lead time required for design and production is 10 to 13 days.*

Dimensions

Our corporate gift figurines usually range between 5x5cm and 20x30cm, yet you can definitely tailor it to your desire depending on your budget and conceptual idea.

Prices & Shipment

Prices range between \$7 and \$80 a piece, depending on the size and complexity of your chosen design.

We also provide worldwide DHL Express Shipping. Your order will be delivered within 1 to 6 days after it is produced, depending on your country.
