

Garage Door Sealing Systems

Seal the difference

ACCESS DOOR SEALS

Australia's leading garage door sealing company

Founded in 2007, we are an Australian family owned and operated company, dedicated to providing superior quality industrial and shed entrance door and internal passage access door seals to keep out dust, pests, draughts and bushfire embers by closing the gaps around the bottom of the door with a Cleverseal sealing system.

Comfort and Protection

Seal out dust, pests, extreme weather and bushfire embers

Quality Product Assured

Our product is backed with a 5 year warranty

Save on Energy

By reducing air movement around the garage and shed

ACCESS DOOR SEAL

Access door

Complete kit to seal up to two doors
1000mm wide

Kit includes

- *2 x 1000mm aluminium carriers*
- *2 x 1000mm x 30mm flame retardant bristle brushes*
- *Screws and screw cover caps*

Seal your shed, industrial or residential walk-through door with our easy-to-install access door seal kits. They help keep out draughts and pests using durable long-lasting materials.

Our access door seal kits feature weather-proof aluminium carriers and a reliable slim-line flame retardant brush seal. Each kit from Cleverseal garage door sealing systems comes complete with fixings for quick installation. When you buy Cleverseal you are purchasing high quality products you can count on.
