Custom Made Corporate Awards

DESIGNED FOR YOU

Eco-Friendly Trophies. Employee Recognition. Client Retention.

Sustainable Solutions from Custom Wood Designs

At **Custom Wood Designs**, we take pride in crafting custom-made corporate wooden awards that reflect the uniqueness of your brand and achievements.

In this brochure, we're delighted to present our collection of bespoke awards, each a tribute to the art of recognition and the beauty of craftsmanship. From the classic charm of wood to the innovative spirit of 3D sculpting, our range captures the essence of achievement and the joy of celebration.

Examples

Method 6: Full Colour Wood

Our Full Colour Wood Method is a testament to our commitment to bespoke creativity and quality. In this method, we utilize our in-house spray shop to apply flawless paint finishes or various coloured stains to our custom-made wooden awards. This process ensures each piece aligns perfectly with corporate branding and aesthetic guidelines.

Key Features:

- Choose from a wide range of vibrant paints or subtle stains to match your corporate colors or event theme.
- Our in-house spray shop ensures each award receives a flawless, even coat for a stunning visual impact.
- We use premium hardwoods as the canvas for these colorful creations, ensuring durability and elegance.
- Tailored to suit any occasion, from formal corporate events to casual recognition ceremonies.
- Meticulous attention to detail in every aspect of the finishing process, from preparation to the final coat.

Personalized to Perfection:

Every award created through our Full Colour Wood Method is a unique piece, reflecting not just the achievement it represents but also the identity and values of your organization. Whether you're looking for a bold statement piece or something more understated, our team works diligently to meet your exact specifications.

Collaborative Creation:

We believe in a collaborative approach, working closely with clients to ensure every detail is perfect. From selecting the right shade to finalizing the design, our goal is to create an award that resonates with both the giver and the recipient.

Note: This method is ideal for those who wish to make a bold statement with their awards, offering limitless possibilities in color and design to make each award truly one-of-a-kind.

Examples

Method 7:

Brass and Wood Method

Our Brass and Wood Method combines the timeless beauty of wood with the sophistication of brass, creating awards that stand out for their elegance and craftsmanship. Using precise waterjet cutting technology, we seamlessly integrate brass elements into the wooden structure, offering a striking contrast and a touch of luxury.

Key Features:

- **Wood and Brass Fusion:** A harmonious blend of high-quality wood and lustrous brass for a distinguished look.
- **Precision Waterjet Cutting:** Brass elements are intricately cut using advanced waterjet technology for immaculate detailing.
- **Customizable Designs:** Tailor the brass elements to your specific requirements, ensuring each award is unique to its recipient.
- **Versatile Aesthetics:** Perfect for a range of themes, from classic to contemporary, suited to various recognition events.
- **Handcrafted with Care:** Each award is meticulously assembled and finished, ensuring the highest quality and attention to detail.

Personalized Elegance:

Our Brass and Wood awards are more than just trophies; they are symbols of achievement and recognition, crafted to reflect the prestige of the honorees. The combination of warm wood and bright brass makes each piece a memorable token of appreciation, ideal for acknowledging special accomplishments or milestones.

Collaborative Approach: We work closely with our clients to understand their vision and bring it to life. Whether you have a detailed concept or need guidance in design, our team is committed to creating an award that perfectly aligns with your objectives and aesthetic preferences.

Examples

Method 8: Custom 3D Sculpted Awards

Our Custom 3D Sculpted Awards represent the pinnacle of personalized recognition. Utilizing advanced STL files for precise 3D machine sculpting, we offer an unparalleled opportunity to create truly bespoke awards. These options are ideal for those seeking one-of-a-kind pieces that reflect specific themes, achievements, or brand identities.

Key Features:

- **Innovative 3D Sculpting:** State-of-the-art 3D technology to sculpt intricate designs from STL files.
- **Fully Customizable:** Tailored to your specific requirements, capturing the essence of your vision.
- **Unique and Exclusive:** Each award is a distinct piece, crafted exclusively for your event or purpose.
- **Flexible Pricing:** Due to the highly customized nature, pricing is based on the intricacy of the design and your specified budget.

Personalized Approach

Understanding that every project is unique, we engage closely with our clients to ensure their vision is perfectly captured. Our team of experts will work within your budget to create an award that not only meets but exceeds expectations. Whether it's a complex design or a simple concept, we're committed to bringing your ideas to life with precision and creativity.

Note: Given the bespoke nature of these awards, we encourage clients to contact us to discuss their ideas and requirements. Together, we will explore possibilities and provide a tailored quote based on the design complexity and your budget constraints.

Sustainable Solutions from Custom Wood Designs

we hope you've been inspired by the variety and artistry of our awards. Each one, born from skilled hands and creative minds in Ireland, is more than just an award; it's a story of success, a mark of distinction. Our team is committed to offering you personalized awards that resonate with your story and ideals. We warmly invite you to reach out, share your vision, and let us craft an award that's as unique and remarkable as the accomplishment it honors. Thank you for considering our Irish touch for your recognition needs."
