FOOD BOARDS & LASER BRANDING

Choose from over 50 standard, customizable board options...

Or go custom made and let us design a board to your specifications

Steak & Sizzle Boards | Sharing Platters | Cheese Boards | Bread Boards | Charcuterie boards - Branding available on all of our products

FOOD BOARDS & LASER BRANDING

Aesthetics:

Adding rustic touch to your presentation enhancing the visual appeal of your food.

Our boards can be customized with your restaurant or business logo, making them an excellent marketing tool which also helps increase brand recognition and promote your business to customers.

Durability:

Wood boards are durable and can withstand frequent use and washing NB. Wood boards are not suitable for dishwashers. Cleaning should be done only using a small amount of warm soapy water. They are also resistant to scratches and if maintained they can last a long time.

Versatility:

Branded wood boards can be used to serve a variety of dishes, from cheese platters to entrees, making them a versatile serving option.

Eco-Friendly:

Wood is a renewable resource, making it an eco-friendly option. Using branded wood boards instead of disposable plates or platters can help reduce waste and lower your carbon footprint.

Overall,

Improve presentation

Promote your business

Offer a durable, versatile, and eco-friendly serving option.
