get the facts

FULL EFFECT dry texturizing spray

Defining Layers / Texture / Volume & Body

Creates abundant, voluptuous volume, density and texture with staying power that lasts. Great for every hair type.

ideal for

Straight, wavy and curly hair with fine to medium texture.

safe for

Color treated, chemically-treated, keratin treated and relaxed hair.

key ingredients

Natural Starch provides excellent texture.

Sunflower Seed Extract for color protection.

Panthenol helps to promote body and shine. Adds moisture and protects against breakage.

Aloe Vera provides important nutrients, essential amino acids, moisture and rejuvenation benefits necessary for optimum scalp and hair health.

Botanical extract blend of **Chamomile, Horsetail, Nettle** and **Henna** provides strength, shine and promotes scalp health.

application

Shake Well. Spray liberally throughout dry hair to increase fullness and separation. Reapply as desired for maximum lift.

stylist tip

Buildable to create volume and separation.

size

6 oz 170g 205 ml

NO parabens, harsh sulfates, mineral oils, petrolatum.
Animal cruelty free and **vegan friendly**.
