# Four Table

The Four Table is our cute little solution for an indoor/outdoor side table. Use it alone or in a grouping, this table stands out in function AND form. The wood detailing is thermal treated ash. The table is available in our standard concrete finishes. Customization available in both materials.

*GFRc Concrete top / Thermal Treated Ash detail  
Suitable for indoor and outdoor use  
\*thermal treated ash will gray out over time*

**Dimensions: 15.5 in x 18.5 in**
