NOTE: the rulers must be for machine quilting, NOT rotary cutting rulers!

If you own straight-edge, circle or wavy machine quilting rulers, bring them to class.

If you own the [Bernina ruler set](#), that's all you need for class.

If you don't own the required rulers or the Bernina Ruler set, here are some suggested rulers :

Straight-edge: [Angela Walters Slim](#); Judi Madsen's [A1 Ruler 9" Longarm Straight Ruler](#), Amanda Murphy Good Measure Every Curve Set of 3

Circle Ruler: [Westalee Simple Circles Set 2, set of 4 Templates \(2.5" – 4"\)](#)

Wavy Ruler: [Amanda Murphy Good Measure Every Wave Set of 3](#); [Angela Walters Elvira](#); [Angela Walters Squiggy](#)

If you have other machine quilting rulers, bring them to class. If there's time, we will review them.

I will be bringing some straight edge, circle and wavy rulers to class for you to use, if necessary.

Before Class:

1. If your rulers are new, remove the paper from the backs of the rulers.
2. Make 3 quilt 'sandwiches' , layering 1 piece of batting between 2 pieces of muslin.
