

Mega Dream Bag Class

Supplies needed:

- Outside Top: ¼ yard or FQ
- Outside Bottom: 1/3 yard
- Lining: 1/2 yard
- Pockets: 1/3 yard
- Straps: 1/4 yard
- “Handles” (the accent on the straps) (leftovers from another fabric)
- [Shapeflex](#): 2 ½ yards
- [Fusible Fleece](#) (or Thermolam): 1/2 yard
- (1) 18” (or longer, it can be cut to needed length) Nylon Zipper. I recommend the wider zipper type (aka a #5 zipper) single zipper pull, not the double.

You also need to buy the pattern – [“Mega Dream Bag” by Bodobo Bags](#)

Other sewing supplies needed:

- Matching thread spool
- ¼” foot, zipper foot, and sewing machine (if you need to borrow a class machine tell us at time of signup)
- Pins
- [Wonderclips](#) (10 pack or more)
- [A marking tool](#) (white chalk one if you have dark fabrics)
- Helpful if you have one so you don’t have to borrow one: An acrylic ruler to mark and measure things during class. At least 18” long x 4” wide.

Before Class:

Cut out all fabric pieces and interfacing as stated in the pattern ahead of Class. Please fuse the shapeflex (SF101) to the lining and pocket pieces.

Email with ANY questions before and during class: NyssaBenthin@yahoo.com

I look forward to having you! ☺ - Nyssa
