Kaffe Fassett and Brandon Mably Workshop: Seed Packet Quilt

2- Seed Packet Quilt – **WORKSHOP VARIATION**

Globally, Kaffe Fassett fans have enthusiastically embraced his Seed Packet Quilt. It's so much fun to search out bold blooms from your stash and shop for the latest blooms and fruits. Designing and sewing a Seed Packet Quilt is like planting a garden: browsing the catalogs (stash & LQS), planning the layout and planting the seeds (working with Kaffe and Brandon and cutting the squares) and watching it grow (sewing your squares,) and finally reaping what you have sown/sewn (wrapping yourself up in your new quilt.) No sewing takes place during the workshop. No sewing machines needed.

The original Seed Packet Quilt is sumptuously photographed in *Bold Blooms* (pages 68, 69, and 147.) In addition, Kaffe, Brandon and Liza have recolored Seed Packet twice more to feature fabrics available at the time. The most recent version may be found at FreeSpiritFabrics.com.

The workshop Seed Packet variation is composed of 6" and 3 ¼" squares. It features large scale floral and vegetable and fruit fabrics fussy cut for each square. The blossoms or fruit should fill out the large 6" squares and the small 3 ¼" squares. Choose your fabrics with an eye for them to create a harmonious arrangement. They should go together well – perhaps most will have a similar background or same level of brightness.

You will need:

15-20 half yards super large florals

15-20 half yards medium/large florals

Please DO NOT cut fabrics before the class.

Please feel free to bring any fabrics you would like to use to the workshop - these do not have to be Kaffe Fassett Collective fabrics. If you are not sure how you are going to proceed, that is okay. You can bring your stash favorites and be prepared to shop with Kaffe and Brandon during the workshop.

We suggest bringing a 6" X WOF ruler and a 6" square ruler to make cutting fabric easier. You may wish to bring some washi tape to mark off your 3 ¼ square.

No sewing takes place during the workshop. No sewing machines needed.

In addition to fabric, please bring these supplies:

- If you are in the Seed Packet workshop, please bring *Bold Blooms* or a copy of the pattern from FreeSpiritFabrics.com
