Cutting

For sashing:

Borders:

Cut (14) 3-1/2" x wof strips. Piece as necessary to make the following borders:

- (2) 62-1/2" for sides, border 1
- (2) 52-1/2" for top and bottom, border 2
- (2) 76-1/2" for sides, border 3
- (2) 66-1/2" for top and bottom, border 3

Checkerboard background

From border fabric cut (8) 2-1/2" x wof strips. Cut each strip in half at the fold.

Checkerboard squares

From each of the checkerboard pieces cut (2) 2-1/2" by 20+" strips. Match each to a background strip and sew along the long edge. Slice each strip into (8) 2-1/2" slices.

Randomly match slices to make (64) 4-patches.

Checkerboard border

Sew 2 groups of 17 4-patches together for the side border. Sew 2 groups of 15 together for the top and bottom border. Be careful to keep the orientation of the checkerboards consistent, looking at the picture.

Quilt Assembly

- Use 3 blocks and 2 sashings to assemble rows 1, 3, 5, and 7.
- Use 3 sashings and 2 cornerstones to make rows 2, 4, and 6.
- Sew the rows together.
- Add border 1 sides, then top and bottom
- Add checkerboard borders, sides, then top and bottom
- Add border 3 sides, then top and bottom.

Binding
