

CURLiCUE Intro

Our CURLiCUE Range is made to embody effortless, manageable curls through a selection of luxurious products. This intro is curated with the entire CURLiCUE offering for you to share with your clientele.

Fortified with rich botanical oils and extracts, CURLiCUE leaves curls soft, hydrated, defined, and voluminous. Creamy Avocado Oil provides intense hydration that nourishes the hair shaft from the inside out, smoothing coarse texture and strengthening the hair. Nutrient-rich Kakadu Plum Extract protects the hair against damage whilst moisturising to leave dull, coarse hair silky and glossy. Revitalising Lotus Flower Extract improves overall hair health by hydrating and repairing to add strength, shine, and body, while restoring the hair's natural luster.
