milk_shake[®]

is a range of professional
hair care products
that believes in

**simple, joyful,
spontaneous beauty.**

Haircare?

Effortless...
and fun!

We believe that taking care of hair means making each customer look their best with simple haircare routines.

Playful products and soft textures, combined with irresistible fragrances that envelop the senses at each use, **milk_shake**® products are designed to create moments of pure happiness both in the salon and at home.

The science behind milk and fruit

We develop high quality formulas that take care of all hair types.

Milk proteins, rich in amino acids, act deeply on the hair, repairing surface damage and leaving hair silky and soft from the very first application. The precious vitamins and minerals within our **fruit extracts** nourish the hair and combat oxidative stress, keeping hair younger and strong.

Happiness begins in the salon

milk_shake[®] products have creamy, soft textures and unmistakable sweet, vanilla and fruity fragrances that makes cleansing and styling a delight.

We believe that sharing **milk_shake**[®] with customers in the salon should be a joyful experience. Enjoy our gorgeous fragrances and have fun, allowing your clients to experience our **milk_shake**[®] products.

Precious ingredients for all hair types

milk_shake[®] caters to all hair types.

Curly, straight or wavy, natural or colour-treated, damaged, dry or greasy, we have a range for every need, each one focusing on a precious natural active ingredient.

Peach, papaya, blueberry, strawberry, grape, wheat germ:

these and many more other ingredients are featured in our products which include shampoos, conditioners, styling products, colour, masks and oils.

make my day

The complete range with a simple routine that leaves hair soft, manageable and shiny.

make my day shampoo

milk shampoo for super soft hair

A beauty blend of milk proteins and strawberry, goji berry and raspberry extracts with a gorgeous fragrance that leaves hair soft and shiny. Its creamy texture makes this delicate shampoo perfect for all hair types without removing the hair's protective film. **Use:** distribute evenly over damp hair, lather and rinse.

make my day conditioner

milk conditioner for super soft hair

A creamy milk texture with a gorgeous fragrance that helps to detangle and smooth hair without weighing the hair down. Milk proteins nourish the hair deeply; strawberry, goji berry and raspberry extracts have a revitalising effect, leaving hair strong and shiny. **Use:** distribute evenly over clean, damp hair, leave in for a few minutes, then rinse.

make my day mask

intensive nourishing milk mask for super soft hair

Ideal for all hair types, it restores the hair's softness and shine. The intensive action of milk proteins nourishes the hair, making it strong and elastic. When mixed with the **milk_shake make my day booster**, it strengthens their specific action on the hair. For professional use only. **Use:** mix with one sachet of **milk_shake make my day mask booster** according to hair needs. Apply to clean, damp hair, applying over lengths and ends, process for 10 minutes and rinse well.

make my day strawberry booster

nourishing serum for fine or chemically-treated hair

A liquid serum with strawberry with regenerating and nourishing properties. The additional prickly pear active ingredient gives hair protection and nourishment. For professional use only. **Use:** mix with one sachet of **milk_shake make my day mask**. Apply to clean, damp hair, applying over lengths and ends, process for 10 minutes and rinse well.

make my day papaya booster

hydrating serum for dry, coarse hair

A liquid serum with papaya with hydrating and illuminating properties. The additional prickly pear active ingredient gives hair protection and nourishment. For professional use only. **Use:** mix with one sachet of **milk_shake make my day mask**. Apply to clean, damp hair, applying over lengths and ends, process for 10 minutes and rinse well.

make my day blueberry booster

colour-protection serum for colour-treated or lightened hair

Liquid serum with blueberry with strengthening and colour protective properties. The additional prickly pear active ingredient gives hair protection and nourishment. For professional use only. **Use:** mix with one sachet of **milk_shake make my day mask**. Apply to clean, damp hair, applying over lengths and ends, process for 10 minutes and rinse well.

leave-in treatments

Versatile products that are easy to use, to give hydration and make hair manageable.

whipped cream

no rinse conditioning & protective creamy foam for all hair types

Formulated to condition hair, maintaining its moisture balance. Milk proteins condition and restructure the hair, whilst specific emollient ingredients give long-lasting hydration and the exclusive ingredient **Integrity 41*** protects hair colour. **Use:** shake well, hold upside down and dispense. Apply to clean, damp hair, then style.

leave-in conditioner

leave-in conditioner for all hair types

Conditioning spray for normal or dry hair, it gives manageability to damaged hair, protecting the hair shaft and enhancing the moisture balance of the hair. Milk proteins supplement and strengthen the hair shaft while fruit extracts and honey revitalize hair, making it glossy and more manageable. The exclusive ingredient **Integrity 41*** protects hair from UV rays, improving colour stability. **Use:** spray evenly onto clean, damp hair, concentrating on more damaged areas. Style as desired.

incredible milk

12 effects / leave in for all hair types

Intensive spray mask for all hair types with organic muru muru butter, fruit extracts (blueberry, raspberry, papaya, mango) and milk proteins. **1.** Repairs all hair types **2.** Controls frizz **3.** Prevents split ends **4.** Protects from heat **5.** Improves hold **6.** Exceptional detangling **7.** Extreme shine **8.** Gives hair body and volume **9.** Improves the effects of straighteners and/or curling wands **10.** Protects and maintains colour **11.** Protects against UV rays **12.** Smoothens the cuticle. **Use:** spray onto damp or dry hair. Distribute and then style as desired.

colour care

Protective treatments for colour-treated hair. The products improve hair colour stability and keep colour looking fresh for longer.

colour maintainer shampoo

hydrating and protective shampoo for colour-treated hair

Gentle shampoo that hydrates and protects colour-treated hair. Contains milk proteins that restructure the hair deeply and the exclusive ingredient **Integrity 41*** to improve colour stability. Paraben & sls free. **Use:** apply to wet hair, lather and then rinse.

colour maintainer conditioner

conditioner for colour-treated hair

Formulated to hydrate and protect colour-treated hair. Milk proteins help to condition and restructure hair while the exclusive ingredient **Integrity 41*** improves colour stability, leaving the hair soft and shiny. Paraben free. **Use:** apply to clean, damp hair. Leave in for 2 to 5 minutes. Comb through, then rinse thoroughly.

ORIGINAL
FORMULA

deep conditioning mask

intensive maintenance conditioner for colour-treated hair

A formula created to improve long-lasting colour stability with a concentrate of specific active ingredients. It detangles and protects hair, enhancing that hair's shine, softness and vitality. Paraben free. **Use:** apply to clean, damp hair, leave in for a few minutes, comb through and rinse.

flower power

Protective treatments for colour-treated hair, with vegan-friendly formulas and high performing plant-based ingredients.

colour maintainer shampoo / flower fragrance hydrating and protective shampoo for colour-treated hair

Gentle shampoo that hydrates and protects colour-treated hair. It contains moringa extract and soy protein with nourishing and protective properties. The exclusive ingredient **Integrity 41°** improves colour stability. Paraben free. **Use:** apply to wet hair, lather and then rinse.

colour maintainer conditioner / flower fragrance conditioner for colour-treated hair

Formulated to hydrate and protect colour-treated hair. It contains moringa extract and soy protein with nourishing and protective properties. The exclusive ingredient **Integrity 41°** improves colour stability. Paraben free. **Use:** apply to clean, damp hair. Leave in for 2 to 5 minutes. Comb through, then rinse thoroughly.

leave-in conditioner / flower fragrance leave-in conditioner for all hair types

Spray conditioner for normal or dry hair, it gives manageability to damaged hair, protecting the hair shaft and enhancing the moisture balance of the hair, leaving it shiny, soft and with a gorgeous fragrance. It contains moringa extract and soy protein with nourishing and protective actions, and hyaluronic acid that plumps up the hair. The exclusive ingredient **Integrity 41°** protects hair from colour-fading. Paraben free. **Use:** spray evenly onto clean, damp hair, concentrating on more damaged areas. Style as desired.

incredible milk / flower fragrance 12 effects / leave in for all hair types

Intensive spray mask for all hair types with moringa extract and soy protein with nourishing and protective properties. **1.** Repairs all hair types **2.** Controls frizz **3.** Prevents split ends **4.** Protects from heat **5.** Improves hold **6.** Exceptional detangling **7.** Extreme shine **8.** Gives hair body and volume **9.** Improves the effects of straighteners and/or curling wands **10.** Protects and maintains colour **11.** Protects against UV rays **12.** Smoothens the cuticle. **Use:** spray onto damp or dry hair. Distribute and then style as desired.

moisture plus

Maximum hydration that makes hair feel fuller, more resistant and shiny, day after day.

moisture plus shampoo moisturizing shampoo for dry hair

A delicate shampoo that gives softness and manageability to dry hair, maintaining the hair's optimal moisture balance. It contains organic papaya extract, **Integrity 41°** and hyaluronic acid with a plumping action, as well as protecting hair colour. Paraben and sles free. **Use:** distribute evenly over damp hair, lather, then rinse. Repeat if necessary. Proceed with **milk_shake moisture plus conditioner**.

moisture plus conditioner moisturizing conditioner for dry hair

Gives softness and manageability to dry hair, maintaining the hair's optimal moisture balance. It contains organic papaya extract, **Integrity 41°** and hyaluronic acid with a plumping action as well as protecting hair colour. Paraben free. **Use:** distribute evenly over clean, damp hair, leave in for a few minutes and rinse. Proceed **milk_shake moisture plus whipped cream** for more intense conditioning.

moisture plus whipped cream no rinse moisturizing foam for dry hair

Ideal to give softness and manageability to dry hair, maintaining the hair's optimal moisture balance. Leaves hair soft, shiny and healthy. It contains organic papaya extract, **Integrity 41°** and hyaluronic acid with a plumping action as well as protecting hair colour. Paraben free. **Use:** shake well, point downwards and dispense product. Apply to clean, damp hair, then proceed with styling.

moisture plus lotion hydrating lotion for dry hair

A concentrated lotion that gives softness and manageability to dry hair, maintaining the hair's optimal moisture balance. Leaves hair visibly healthy, soft and shiny. Contains organic papaya extract, **Integrity 41°** and hyaluronic acid for colour protection and with a plumping action. Paraben free. **Use:** distribute the entire contents of the tube evenly over clean, damp hair, particularly over lengths and ends. Leave in for 3-5 minutes. Rinse and proceed with the desired styling.

integrity

Restores the hair's natural components,
for restructured and strengthened hair.

nourishing shampoo

nourishing shampoo for all hair types

Its formula with organic muru muru butter cleanses gently, nourishing and conditioning the hair instantly, removing frizz, leaving hair soft and radiant. Sulfate & paraben free. **Use:** apply evenly to wet hair, lather, then rinse. Repeat if necessary.

nourishing conditioner

deep nourishing conditioner

Specifically formulated to condition and nourish all hair types. With organic muru muru butter to condition and nourish the hair. Paraben free. **Use:** apply evenly to clean, damp hair. Comb through and leave in for 2-3 minutes. Rinse well.

intensive treatment

deep nourishing treatment for all hair types

A specific formula with organic muru muru butter for all hair types that nourishes deeply and removes frizz, leaving hair conditioned, manageable and extremely soft and radiant. Paraben free. **Use:** distribute over clean, damp hair, massage through. Leave in for 3 to 5 minutes, comb through, then rinse.

nourishing muru muru butter

nourishing butter for hair

A unique nourishing blend for a deep treatment. Leaves hair soft, nourished and lustrous immediately after the first application. Paraben free. **Use:** 1) very damaged hair: distribute over dry lengths and ends before cleansing, massage through and leave in for 3 to 5 minutes. Cleanse with **milk_shake integrity nourishing shampoo** and continue with **integrity nourishing conditioner**. 2) dry hair: mix the **integrity nourishing muru muru butter** with the **integrity intensive treatment**, distribute over hair after cleansing, massage through and leave in for 3 to 5 minutes. Comb through, then rinse.

repairing hair

concentrated repairing protein treatment

Concentrated repairing protein treatment with amino acids to restructure and strengthen damaged and chemically treated hair, leaving it soft and shiny. With organic muru muru butter to condition and nourish the hair. **Use:** distribute the entire vial over clean damp hair, massage, leave in 5-10 minutes then rinse.

incredible oil

repairing and protective oil for damaged hair or split ends

A film-forming leave-in treatment formulated to protect hair from heated styling tools and other stress factors that weaken the hair. It gives nourishment, detangles and helps seal the cuticle to counteract and prevent split ends, leaving hair incredibly shiny, manageable and weightless. **Use:** spray evenly over clean, damp hair and comb through to distribute the product evenly. Do not rinse. Proceed with blow dry and styling.

integrity reconstruction system

The in-salon service that rebuilds the hair's essential components to restore the hair's beauty.

rebuilder / step a

intensive reconstruction treatment for damaged hair

A treatment containing naturally-sourced keratin, proteins and amino acids that penetrate into the hair fibre, restoring the hair's natural components. This treatment, when applied under a heat source, deeply nourishes damaged hair without weighing it down. For professional use only. **Use:** wash beforehand with **milk_shake deep cleansing shampoo**, divide the hair into four sections and apply **integrity rebuilder** evenly. Massage with fingertips and move on to step b with **fibre sealant**.

fibre sealant / step b

nourishing sealing treatment for damaged hair

Its specific formula seals and compacts the cuticle with a film-forming action, leaving hair regenerated and shiny. Contains naturally-sourced proteins and amino acids that restore that hair's natural components. For professional use only. **Use:** apply to hair after **milk_shake integrity rebuilder** and massage on the most damaged areas. Distribute evenly with a comb and leave on for 10 minutes under a heat source. Rinse thoroughly and apply **integrity leave-in**.

leave-in

treatment spray for damaged hair

A leave in treatment containing naturally-sourced keratin, proteins and amino acids with hyaluronic acid that has a deep hydrating action. Gives strength and consistency to the hair without weighing it down and improves manageability. **Use:** spray the product from roots to ends, insisting on the most damaged lengths. Proceed with styling.

silver shine

A professional range formulated to neutralize unwanted brassy, yellow and golden tones in blond, bleached or grey hair.

silver shine shampoo

specific shampoo for blond or grey hair

A delicate cleanser, it contains a specific violet pigment capable of counteracting yellow tones in natural or lightened blond hair, or grey or white hair. Enriched with organic mixed berry extracts and milk proteins for shiny, soft and healthy hair. Sles free. **Use:** distribute evenly over damp hair, lather and rinse. Repeat if necessary. For more intense results, leave in for a few minutes.

silver shine light shampoo

specific shampoo for blond or grey hair

A delicate cleanser that neutralizes unwanted yellow tones in natural or lightened blond hair, grey or white hair with a balanced action, with its specific violet pigment that works on even the most subtle hues. Enriched with organic mixed berry extracts and milk proteins for shiny, soft and healthy hair. Sles free. **Use:** distribute evenly over damp hair, lather and rinse. Repeat if necessary.

silver shine conditioner

specific conditioner for blond or grey hair

Formulated with a specific pigment that neutralizes unwanted yellow, golden or brassy tones that are common in white, grey, blond or lightened hair. Leaves hair conditioned, soft and full of vitality. Contains milk proteins, organic fruit extracts and **Integrity 41°** to condition the hair whilst maintaining the hair's moisture balance and protecting hair colour. Paraben free. **Use:** apply after cleansing to clean, damp hair, leave in for a few minutes, then rinse.

silver shine whipped cream

smoothing conditioner anti-frizz conditioner for hair

The ideal conditioner to maintain the results obtained during the treatment in the salon for longer. Contains precious organic oils from the Amazon that have an anti-frizz action, organic muru muru butter and milk proteins with a nourishing action, and **Integrity 41*** for hair colour protection. Paraben free. **Use:** distribute evenly over clean, damp hair, leave in for a few minutes, then rinse.

insta.light

Hair lamination with a glass hair effect for super-shiny hair.

insta.light shampoo

strengthening shampoo with a filler effect for all hair types

With a gentle cleansing action, it gives hair manageability, leaving it soft and shiny. With milk proteins, hyaluronic acid and lemon and blueberry extracts, it has a filler effect on the hair with an instant reviving action. Ideal as a first step within the **milk_shake insta.light** service. For professional use only. **Use:** Distribute evenly over damp hair and lather, then rinse. Repeat the cleansing process and rinse well. Follow with **milk_shake insta.lotion**.

insta.lotion

liquid mask for instant glossy, silky hair

A treatment with milk proteins, hyaluronic acid, lemon and blueberry extracts. In just a few seconds it detangles and hydrates the hair, giving instant shine and removing frizz. Its liquid texture is as light as water and easy to apply, smoothing the hair's porosity and closing the hair cuticles, giving mirror-like shine! Ideal for colour-treated, chemically-treated or dry hair. **Use:** apply to damp hair after cleansing, concentrating on lengths and ends and twisting the hair around the fingers to help the product penetrate deeper. Leave in for a few seconds and rinse out.

insta.light potion

extra shine effect leave in treatment

Its formula is enriched with milk proteins making hair incredibly silky soft. Its sealing action seals the hair cuticles making the hair shiny with an instant mirror-like effect! Its gel-like texture is easy to apply. For professional use only. **Use:** apply to clean, damp hair, concentrating on lengths and ends. Comb through to distribute evenly and proceed with styling. No rinse formula.

lifestyling

A product range designed to create any look, from the most natural to the most elaborate.

amazing

anti-humidity protective styling spray for hair

HOLD □□□□ VOL ■■■□ SHINE ■■■■

A pre-styling spray capable of eliminating frizz with a long-lasting result. The special polymers within its formula are heat-activated, creating a film-like effect over the hair that protects hair from humidity, protects hair colour and maintains the hairstyle for longer. Its formula, enriched with fruit extracts, gives a shiny, glossy finish with a mirror-like effect. It reduces drying time, protects from heated styling tools, doesn't leave residue and doesn't weigh the hair down. **Use:** spray generously and evenly over clean, damp hair. Comb and proceed with the desired style.

amazing curls & waves

ultra-lightweight spray for wavy styles and curly hair

HOLD ■■■□ VOL ■■■□ SHINE ■■■■

Defined and frizz-free curls and waves. It gives a natural, voluminous and weightless finish, without leaving heavy residue on the hair. The special polymers in the formula have a film-forming action that protects hair colour. It eliminates frizz and protects hair from humidity. Its memory effect enhances the hairstyle, making it last longer. Ideal for wavy styles using straighteners or tongs. **Use:** apply generously to clean, damp hair and proceed with styling. If applying to dry hair, spray over the hair and shape with the hands.

shaping foam

medium hold styling foam

HOLD ■■■□ VOL ■■■□ SHINE ■■■□

Creates volume and shape, protecting the hair during blow-drying. Gives body and natural control with flexible hold. Enriched with fruit extracts, quinoa proteins and milk proteins, **Integrity 41°** and a UV filter, it's the ideal mousse for all hair types. **Use:** shake well and dispense the necessary quantity. Apply by distributing over clean, damp hair. Proceed with styling.

liquid styler

styling and defining fluid

HOLD ■■■□ VOL ■■■□ SHINE ■■■□

A versatile styling fluid, ideal to create definition and soft, flexible hold with a memory effect. Suitable for all hairstyles, to dry hair naturally, and for all hair types. Gives body, softness and shine. **Use:** dose the necessary quantity and apply to clean, damp hair. Proceed with styling. Can be used after drying to strengthen the created curls.

design wax

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

defining wax

A water-based formula with a light modelling effect, giving a touch of shine and flexible definition to hair. With organic fruit extracts, quinoa and milk proteins, **Integrity 41**® and a UV filter, it leaves hair defined and shiny. **Use:** apply to dry hair and style.

freehand paste

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

molding paste with flexible control

A paste with an elastic and stretchy texture to manipulate the hair and create and define an infinite array of styles. Contains organic fruit extracts, quinoa and milk proteins, **Integrity 41**® and a UV filter to protect hair. **Use:** apply to damp or dry hair and style.

fixing paste

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

strong hold paste for hair

Gives texture and structure to the style with strong, flexible hold. Its texture makes it easy to apply and workable. **Use:** Take a small quantity of product and work it between the palms of the hands. Distribute over damp or dry hair, then shape as desired.

texturizing cream

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

bodifying molding cream

Particularly suitable for fine hair, when applied to dry hair it gives body, giving separation and control to hair strands for creative and unkempt looks. Contains organic fruit extracts, quinoa and milk proteins, **Integrity 41**® and a UV filter to protect hair. **Use:** apply to dry hair and style.

texturizing spritz

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

bodifying spray for hair

Bodifying formula with a matte finish that gives hold and creates “beach-effect” voluminous waves with shape control on all hair lengths. Contains fruit extracts, quinoa and milk proteins, **Integrity 41**® and a UV filter, to protect the hair from fading and dehydration. **Use:** shake well before use. Spray over damp hair and leave to dry naturally for a casual look, work with a diffuser or brush and blow-dryer for a more defined, natural look. Spray over dry hair and shape with the hands for extra hold and volume.

styling potion

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

conditioning and styling cream

Gives light support and an immediate conditioning effect to all hair types. Versatile and unique, it smoothens the cuticle of the hair, giving natural body. It contains fruit extracts, quinoa and milk proteins, **Integrity 41**® and a UV filter, to protect the hair. **Use:** dose the necessary quantity and apply by distributing over clean, damp hair. Proceed with styling.

powder pop

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

volumizing powder for hair

A weightless and light styling powder that is ideal to give volume with a matte finish. **Use:** distribute a small quantity of product to the roots of dry hair or to the hands, and proceed with styling.

curl perfectionist

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

curl defining cream

Defines and tames curls, banishing frizz and intensifying the natural texture of the hair. Gives long-lasting shape, softness and shine. Contains quinoa proteins, **Integrity 41**®, organic fruit extracts, milk proteins and a UV filter. **Use:** apply to damp hair and proceed with the desired style.

lifestyling

A product range designed to create any look, from the most natural to the most elaborate.

blow-dry primer

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

pre-styling lotion for hair

Ideal to give hair greater body and texture. Its specific dispenser transforms the product into a soft foam that is easy to distribute evenly over the hair. It protects from heat, reduces drying time, helps hairstyles last longer and prevents colour-fading. **Use:** dose the necessary quantity and apply to clean, damp hair. Proceed with the desired style.

dry shampoo

HOLD □□□□ VOL ■■■■ SHINE □□□□

instant dry shampoo

Ultra-fine mist formula with instant results. Gives the scalp a pleasant sensation of freshness and cleanliness without needing water, leaving hair light and without any product residue. Leaves hair looking cleaner for longer. With hemp seed oil, with nourishing properties for scalp and hair. **Use:** shake before use, spray onto roots, wait for few moments, then style using your hands or a brush.

thermo-protector

HOLD □□□□ VOL □□□□ SHINE ■■■■

heat protection for hair

An ultra-fine formula created to protect the hair fibre from the heat of blow-drying, straightening irons and curling wands. The formula should be sprayed at 20-30 cm from clean, damp hair, from root to tip, creating an invisible film over the hair that prevents split ends, breakage and damage, as well as reducing drying time. Contains quinoa, silk and milk proteins for heat protection and hair colour protection. **Use:** spray at approx. 20-30 cm onto clean, damp hair, from roots to ends. Proceed with blow-drying.

medium hold gel

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

medium hold styling gel

Gives hold to any hair style to create defined styles with a memory effect, giving incredible shine. Gives structure to fine hair and gives body and definition to curls with an anti-frizz effect. Quick to dry, it doesn't leave any residue on the hair. **Use:** work a small quantity through the fingers and apply to damp or dry hair.

let it shine

HOLD □□□□ VOL ■■■■ SHINE ■■■■

softening glossing spray

This super fine mist leaves hair soft and shiny without weighing it down. Does not give hold. Suitable for all hair types, it keeps static in check and has a thermo-protective action. Contains quinoa proteins, **Integrity 41**®, organic fruit extracts, milk proteins and a UV filter. **Use:** spray evenly over damp hair, over lengths and ends or at the end of styling.

strong hairspray

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

strong hold hair spray for colour-treated hair

Strong hold hair spray formulated to give structure, hold and long-lasting style without taking away the hair's natural movement. Gives hair body and shine without product build-up or residue. Contains a UV filter and quinoa proteins for greater colour stability over time. **Use:** spray at 20-30cm from the hair for the desired effect or style.

medium hold hairspray

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

medium hold hair spray

Medium hold hairspray that supports hair styles with a natural and flexible hold. Leaves hair full of body and shiny, without product residue and without weighing the hair down. With a UV filter and quinoa proteins for colour protection, protecting from the sun's rays and environmental stress which cause colour-fading. **Use:** spray at approx. 20-30 cm from hair as needed.

strong eco hairspray

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

strong eco hairspray for colour-treated hair

A hairspray with extra strong hold, it gives structure to the hair with exceptional shine. It protects hair from humidity and from external aggressors, maintaining the hair's volume and style. Quick to dry, it is easily brushed out and does not leave residue on the hair. Contains quinoa proteins, **Integrity 41**®, organic fruit extracts, milk proteins and a UV filter. **Use:** spray at 20-30 cm from the hair as required.

braid products

A specific range to create any braid look.

smoothing cream

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

soft hold smoothing cream

A styling cream formulated to smoothen the cuticle, protect the hair during blow-drying, and give natural support. Keeps hair smoother for longer and counteracts frizz. Leaves hair soft and shiny without unwanted residue. It contains silk proteins, quinoa proteins and a UV filter that protects from UV rays. **Use:** dose the necessary quantity and apply by distributing over clean, damp hair. Proceed with styling.

braid grease

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

braid defining wax

Gives a touch of shine and is ideal to create perfect separations, braids and knots. **Use:** apply to dry hair and style.

curl shaper

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

shaping fluid for curly hair

Ideal for defined and enduring curls. It intensifies the hair's natural texture, giving control to defined curls and perfecting soft waves. Its specific formula guarantees an anti-frizz action, shine, and colour protection. **Use:** apply to clean, damp hair and proceed with styling.

braid lotion

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

braid defining lotion

A light and flexible lotion for the hair that is perfect for creating braids and knots. **Use:** apply to damp or dry hair, then proceed with the creation of the braid. For greater definition, apply a small quantity of product to the fingertips before braiding.

braid cream

HOLD ■■■■ VOL ■■■■ SHINE ■■■■

braid styling cream

A light and flexible cream, ideal for creating braids and knots. **Use:** apply to damp or dry hair, then proceed with the creation of the braid. For greater definition, apply a small quantity of product to the fingertips before braiding.

instant colour

Products that instantly revive hair colour.

colour whipped cream

no rinse coloured conditioning creamy foam

Formulated to condition and give an immediate and even colour tone to the hair. Contains milk proteins that condition and restructure the hair, special emollients that give long-lasting hydration, and the exclusive ingredient **Integrity 41**® that improves colour stability. The colour tone is easily removed via cleansing. **Use:** shake well and hold upside down to dispense. Apply to clean damp hair, then style.

sos roots

instant hair touch up spray for roots

Covers grey hair regrowth perfectly until the next shampoo. Dries quickly. Ammonia-free. **Use:** shake well before use, dose onto the provided comb and apply to the regrowth area that requires coverage. Alternatively, direct the nozzle at approx. 10 cm (4 in.) from the hair and spray lightly. Always apply to clean, dry hair.

milk_shake®

embodies a colour philosophy **that gives** **incredibly beautiful** **hair colour results.**
